

FSA ID and FAFSA

Step 1: Go to studentaid.gov and click “Create Account” then “Get Started”.

Step 2: Enter all required information into the form.

Make sure to write down your information and keep it in a safe place.

- If a parent is creating an FSA ID and does not have an SSN: Have them mark the box “What if I don’t have an SSN”. They will then be prompted to include their current mailing address instead.

Step 3: Review your information and accept the terms and conditions.

Step 4: Confirm your email address and phone number using the secure codes sent to you, which will be sent to the email address and phone number you entered when you created your FSA ID. Once you verify your email address and phone number, you will be able to go back to the FAFSA page and start FAFSA.
