Proposition 28, known as The Arts and Music in Schools Funding Guarantee and Accountability Act, was approved by California voters on November 8, 2022. This measure mandates the establishment of an ongoing program to support arts instruction in schools and provides that the expenditure period for allocated funds each year, is up to three fiscal years. At the end of the third year, the amount of unexpended funds shall be reported to the California Department of Education on the AMS Portal by October 1. Unexpended funds will be collected by the COE and allocated to all LEAs in the following fiscal year. For Local Educational Agencies like Buckeye Union School District, which has more than 500 pupils, it is required that at least 80 percent of the allocated funds be utilized to employ certified or classified employees responsible for delivering arts education instruction. The remaining funds are to be allocated for training, supplies, curriculum, professional development, materials, and partnerships with arts educational programs. Each school is obligated to submit an annual report, approved by the board, which outlines the arts education programs supported by the AMS program. For the 2023-2024 school year, the District provided arts and music instruction to all students in all schools in the District utilizing the Arts, Music and Instructional Materials Block Grant as well as the General Fund and did not expend any Proposition 28, Arts and Music Funding.
