

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

SEPTEMBER 25, 2025

Exciting News – New Turf Field Access!

Starting Monday, October 6, students will be able to use the new turf field during part of lunch. The field will open 15 minutes into each lunch period. ALL students start lunch in lunch room.

Rules & Expectations:

- Shoes only: Tennis shoes are required. No boots, metal cleats, or heels (they damage the turf).
- NO food or drinks on the field.
- Privilege, not a right: Misbehavior will result in loss of access for individuals or the whole group.
- No re-entry: Once you go outside, you cannot come back in and then out again. Doors will remain locked due to limited staff.
- Backpacks: Must stay on the rocks, not on the turf.
- Personal equipment: Students may bring their own, but the school is not responsible for lost or damaged items. If a ball goes over the fence, it will not be retrieved during school hours.

We are excited to provide this opportunity for students—please follow expectations so everyone can enjoy the new field!

**This week's
progress goal is
46% by
tomorrow.**

hello high SCHOOL

Attention High School Students and Families!!!

On **Wednesday, October 8th**, we will administer the PSAT to ALL 10th graders (A and B Cohorts will need to attend this day) and to 11th graders who previously signed up. Please note that registration for 11th graders is closed.

High school students who are not testing—this includes all 9th graders, most 11th graders, and all 12th graders—will **not** have in-person classes on campus that day. Aviation classes will still take place in the afternoon but are optional, and no other classes will be held. The PSAT will last only through the morning (unless students have extended times in their IEP), and students who are testing may be signed out, picked up, or dismissed once their exam is complete. Students who ride the bus will remain on their regular schedule; study halls and other activities will be available in the afternoon after testing concludes. All students who are not testing are expected to continue their schoolwork on Edgenuity from home, as this will still count as a regular school day.

Middle school students will remain on their regular schedule.

*Albuquerque
Aviation Academy
would like to
recognize the
following students!*

President's Education Awards Program for Outstanding Academic Excellence

(students earned Proficient or higher on Spring 2025
State Assessments at Albuquerque Aviation Academy)
