BURY GRAMMAR SCHOOL
SIXTH FORM

5 REASONS TO CHOOSE BGS SIXTH FORM

Students' A Level results are extremely impressive and 'value added' shows that they routinely outperform expectations compared with their national peer group.

BGS Sixth Form offers both continuity and support in a familiar environment, alongside a whole new start and much greater independence for our Sixth Form students.

Opportunities for leadership within the School are numerous, whether as a Subject Ambassador, Prefect or through extra-curricular activities.

The Sixth Form environment is designed to set you up well for the future, through expert careers advice from alumni, university visits, volunteering, work placement opportunities, the Pathways programme and the Super Curriculum.

BGS students routinely gain a place on their first/second choice university course and are successful in doing so at a wide range of top universities and for a myriad of subjects. Whatever our students want to achieve, we are right behind them.
