Summer 2025

## Summer at Gesu

This summer, Gesu School is alive with curiosity, creativity, and community! Our five-week Summer Camp Program offers students a vibrant blend of academic enrichment and hands-on exploration to combat summer learning loss. With engaging weekly field and collaborative activities, students are not only reinforcing key academic concepts but also building strong social-emotional skills that will prepare them for success in the coming school year.

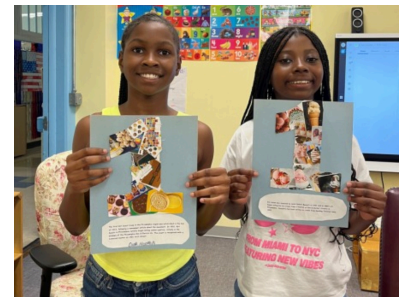

In tandem, our Youngest Scholars program is hard at work supporting Gesu's top-performing 3rd–5th grade students. Focused on literacy, communication, and confidence-building, this initiative helps close achievement gaps early and sets students on a path toward high school and lifelong learning. By fostering academic excellence and self-assurance, Youngest Scholars equips our students to thrive—even as they enter highly selective, competitive high school environments.

Thanks to your continued support, Gesu's summer is a season of growth, discovery, and opportunity!

## Youngest Scholars

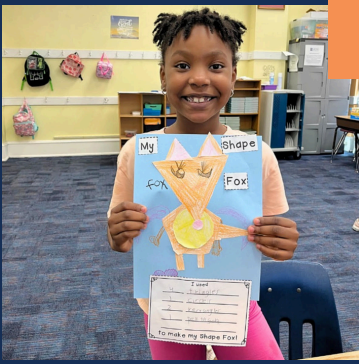

Our Summer Enrichment Program dove into this year's theme: *All Around Philadelphia!*

Rising 3rd-5th graders explored the city's culture and history through hands-on lessons and creative projects such as, recreating the Declaration of Independence, designing flags inspired by Philly's "City of Brotherly Love" motto, and researching the life of the city's founder, William Penn.

**Gesu School | 1700 W. Thompson St. | Philadelphia, PA 19121**

# Summer Camp

Gesu's campers learned topics like geometry and language arts with fun, creative activities! Our camp includes academics in the morning and fun and fitness in the afternoons, from arts and crafts to swimming.

## National Constitution Center

Gesu's Youngest Scholars visited the National Constitution Center as part of this year's program theme, "All Around Philadelphia." Through interactive exhibits and a live theater experience, students learned about the importance of the U.S. Constitution in our nation's founding!

## Sponsor a Child Luncheons

Our students love when their sponsors join them for lunch— it's always a special and fun experience! We hope you'll join us for our Sponsor a Child luncheons:

 Fall Luncheon –  
Monday, October 20, 2025 | 12:00 PM - 1:30 PM

 Holiday Luncheon –  
Monday, December 8, 2025 | 12:00 PM - 1:30 PM

 Spring Luncheon –  
Tuesday, April 21, 2026 | 12:00 PM - 1:30 PM

Scan the QR Code to RSVP to the Sponsor a Child lunches or visit:
