A Message from this week's Editor: Mrs Muir

This term in PSHE, through the theme 'Being Me in My World,' children have been exploring what it means to feel safe, valued, and part of a community. They have also reflected on their own goals and responsibilities.

In RE, we have focused on our school values – Respect, Responsibility, Compassion, Aspiration, Community, and Resilience. Children have thought about what these values look like in everyday life and how they connect to our faiths and world views.

Together, these lessons are helping our children to grow as thoughtful, caring and responsible members of our school and the wider community.

LOOK WHAT WE HAVE BEEN DOING THIS WEEK

During our maths lesson, the children were learning how to estimate missing numbers using a number line from 0 - 100.

We've had another busy and lovely week in Early Years. The children have enjoyed exploring the story Funnybones, joining in with songs and activities. They are also developing their social and emotional skills beautifully—learning to share, take turns, and help each other. It's been wonderful to see their confidence and kindness growing every day.

This week in RE, we explored what it means to be part of a community and thought about the people who can support us. The Year 1 class enjoyed drawing themselves and some special people who were important to them, in representations of their own communities.

This term, Year 2 have been learning about Compassion in R.E. Today we looked at scenario cards, stuck them onto our sheets and wrote what we would do to act compassionately for each one.

LOOK WHAT WE HAVE BEEN DOING THIS WEEK

Year 3 have created a display about Respect. We thought of ways to continue the sentence Respect is... In PSHE, we discussed different social scenarios where we had to consider how our actions affect ourselves and others.

Year 4 have studied the story of Noah's Ark in RE. We considered how Noah took responsibility and then considered how we take responsibility for things too. We drew the animals who went into the ark and wrote on the animal an example of how we could take responsibility for different things .

What rights should all children have?

This week, Year 5 have been learning about what it means to be a citizen, including our responsibilities. We also spent time understanding the difference between a migrant, a refugee and an asylum seeker. We had fruitful discussions around whether a government should help its own citizen's before refugees. We then looked at the United Nation Convention on the Rights of the Child and identified the most important rights and giving reasons for their choices.

Article 12: I have the right to say about decisions that affect me and to have my opinion heard.

This week in PSHRE, Year 6 have been looking at our needs as human beings, within a global community. We have discussed the Maslow hierarchy concept and decided that we must all pay attention to our psychological, physical, mental and emotion needs, in equal measure. This will make us happier.

We are a NUT FREE school

Parents are reminded that we are a NUT FREE school.

Children should not have any nut products sent in packed lunches or with them on the playdate.

We have children and staff with severe allergies, so in order to keep everyone safe NO NUTS please.

Year 5 Keeping our Community Clean!

With equipment kindly provided by Councillor Puja Bedi, the children worked hard to safely collect litter and were surprised by just how much rubbish they found in the Colnbrook recreation ground. The experience really opened their eyes to the impact waste has on our local environment, and they felt proud to make a positive difference in the local community.
