WWS K-8 Rebalancing Committee: Meeting 4

September 24, 2025

WESTFIELD WASHINGTON SCHOOLS

Agenda

Meeting Topics

Each session will use the full 90 minutes for presentations and small-group discussions. You'll hear from district leaders, ask questions, and provide input on the topics listed below:

1. **September 3:** Introduction and Overview ✅
2. **September 10:** Details and Boundary Considerations ✅
3. **September 17:** Boundary Considerations & Predictive Enrollment ✅
4. **September 24:** Review Draft Maps
5. **October 1:** School Start and End Times / Transportation
6. **October 8:** Wrap-up

Rebalancing Objectives

- To create a rebalancing process involving parents and community members
- To share current information regarding student enrollments, demographics, school capacities, and future growth projections for WWS schools and community
- To discuss the considerations for rebalancing and to determine which should which should be prioritized
- To provide viable rebalancing options and a recommendation to the WWS Board of School Trustees by Nov. 7, 2025

Important Reminders

- Our goal is to do this with you, not to you!
- You ask you to represent the community members who cannot be here.
- This is a collective inquiry process.
- We will use consensus building to make decisions and the final recommendation.
  - Consensus means every voice has been heard and the <u>will</u> of the group is clear – not that everyone agrees!

District Norms

Respect Ourselves	Respect Each Other	Respect the Process
• Take breaks when you need them. • Permit yourself to be fully present – close your email/computer and silence your phone. • Learn something you want to learn today.	• Do as much listening as you do talking. • Use questions to invite others into the conversation. • Limit sidebar conversations to the appropriate moments.	• Believe you can learn something new today. • Learn from each other during the activities of the day. • Take notes, ask questions, and engage fully in the dialogue.

Last Meeting Recap

- Reviewed enrollment data, housing permits, and demographer insights to understand current and projected growth across WWS schools.

- Discussed and ranked the full set of rebalancing considerations, identifying **Demographics/SES, Feeder Schools, Longevity of Boundaries, and School Capacity** as the group's top priorities.

- Observed how predictive enrollment software models boundary scenarios and began connecting prioritized considerations to potential map adjustments

Today's Objectives

To review and analyze 2–3 draft boundary maps created from the group's top considerations, and begin evaluating how each option addresses priorities and impacts schools, students, and families

Discussing the Developed Maps

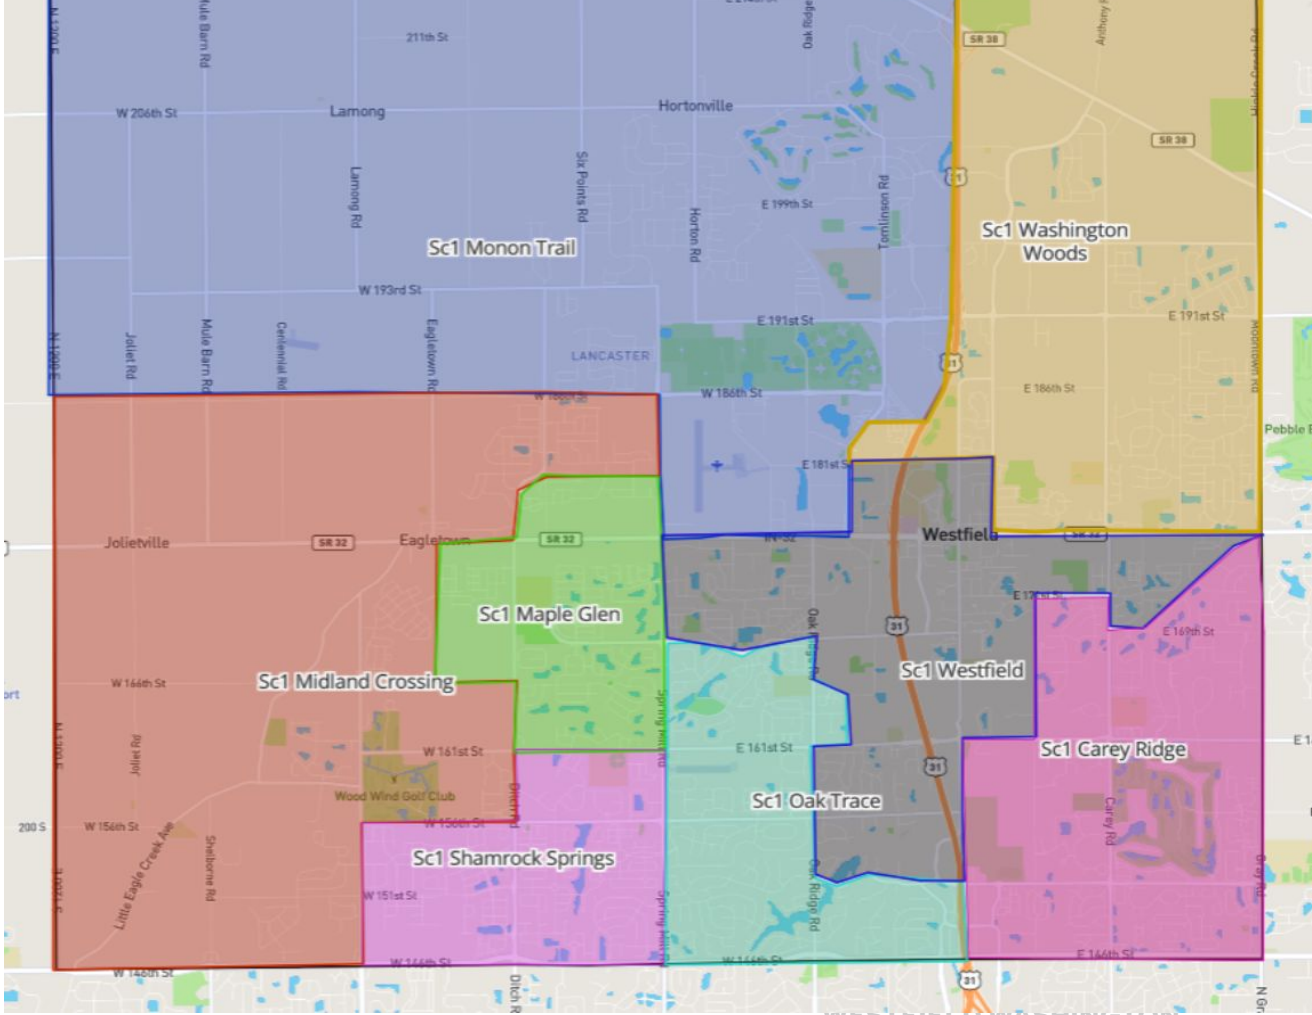

- Spend **15–20 minutes** discussing each map at your table.
  - Option 1
  - Option 2
  - Option 3

- **Faciltors:** Use the guiding questions to explore with your table how each map addresses our top considerations.

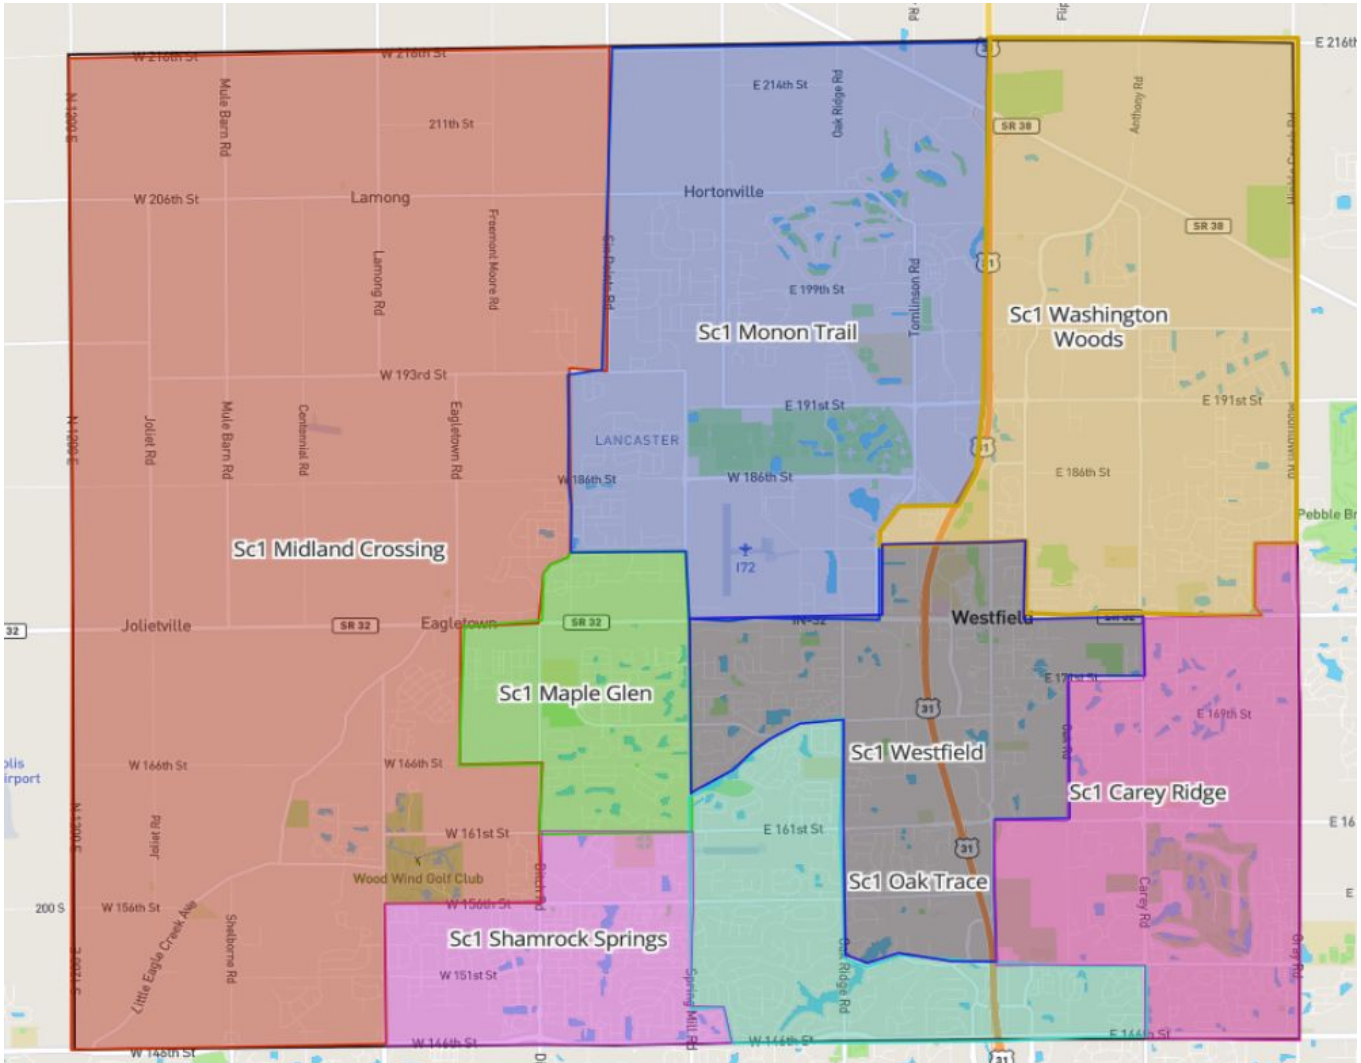

- Be sure every voice is heard before moving on.

- Write down any lingering questions that might need to be addressed

Today, we...

- Reviewed and analyzed draft boundary maps
- Connected our top considerations to real scenarios
- Shared questions and insights from each table discussion

Your input today will guide refinements as we continue this process together.

Next meeting, we will...

- Continue addressing any outstanding questions or conversations from today
- Review School Start & End Times
- Discuss Transportation considerations

Before you leave...

After reviewing the maps and engaging in a collaborative conversation with your table, what lingering questions might you still have?
