

Ruus Elementary

Ruus Elementary Community School

It is our mission to support students at Ruus through our Community Schools framework and help ensure each student has their individual needs met using the whole child approach. ❤️

If you have a concern or need assistance for your student, please submit a COST Request to me, Angela Potenti.

Community partners, please feel free to reach me regarding connecting students with services and partnerships that will benefit our school community and help children learn and succeed.

COST

Coordination of Services Team

WHAT IS THE PURPOSE OF COST?

COST Teams at each school support the needs of students and the school overall, refer students to resources & interventions, and support student's academic success and healthy development.

WHO DOES COST SUPPORT?

- Students who are experiencing challenges in academia and/or concerning behavior(s) either in the classroom and/or at home
- Students & families who may need support with basic needs, home environment, health concerns, etc.
- Students & families facing traumatic events, transitional hardships, change in family dynamics, etc.

Examples of Services Offered:

COST teams may refer students to a variety of support services, programs, and resources, some of which may include:

- 1-1, Group, or Family Counseling
- House, Food, or Clothing Support
- Immigration Supports

This is not an exhaustive list as COST Teams look at the individual needs of each student referred.
