ARTICLE I

RECOGNITION

- A. The Southington Public Schools recognizes the Association for the purposes of negotiations as the exclusive collective bargaining agent for and on behalf of all employees of the Board who are employed in full-time positions requiring an intermediate administrator or supervisor certificate, or the equivalent thereof, excluding the Superintendent of Schools, the Assistant Superintendent of Schools, the Director of Pupil Personnel Services and other certified professional personnel excluded by section 10153b(b) of the Connecticut General Statutes. As used in this Agreement, the term "administrator" refers to members of the above-described administrators bargaining unit. Questions regarding the bargaining unit status of a position shall be resolved in accordance with State Department of Education Procedure.
- B. Persons employed by the Southington Public Schools on a temporary, casual or substitute basis are not and will not be covered by the provisions of this Agreement.
- C. A temporary employee is one who is hired for a specific period of time or is hired for a specific project or is hired to replace an employee on leave or to fill a vacancy on an interim basis. A casual or a substitute employee is one who is not scheduled on a regular daily basis.

ARTICLE I.A

BOARD PREROGATIVE

- A. The Southington Board of Education is a public body established under and with the power provided by the statutes of the State of Connecticut. As the body charged with the responsibility for maintaining an effective system of free public education for the citizens of Southington and the efficient and economical aspect of the Southington Public Schools, it is acknowledged that the Board has the final responsibility of establishing and administering educational policies of the Southington educational system.
- B. Nothing in this Agreement shall be deemed to derogate or impair the powers and responsibilities of the Board of Education under the statutes of the State of Connecticut or the rules and regulations of any agencies of the state.
- C. As to every matter not expressly covered by this Agreement, and except as directly modified by a specific provision of this Agreement, the Board retains exclusively to itself all the rights and powers and responsibilities that it has or may hereafter be granted by law and may exercise the same in its discretion without such exercise being made the subject of a grievance proceeding. It is understood that no present conditions of employment over which the Board is obligated by law to negotiate before altering or amending shall be altered or amended without negotiations with the Association.

ARTICLE II

PROFESSIONAL NEGOTIATIONS

- A. During the term of such agreement, neither party shall be required to negotiate with respect to any matters, whether covered by such agreement, except by mutual consent, unless ordered to do so by an authority of competent legal jurisdiction. The SAA retains all statutory rights concerning negotiation over changes concerning mandatory subjects of bargaining.
- B. This agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III

GENERAL

- A. There shall be no reprisals of any kind taken against any administrator by reason of his/her membership or non-membership in the Association.
- B. Administrators shall be given a copy of any evaluation report prepared by their supervisors and they shall have the right to discuss such reports with their supervisors. Any such evaluation report or other written statement of criticism contained in the individual administrator's personnel or other file shall be shown to the administrator within fifteen (15) days and such individual shall have the opportunity to acknowledge the report by signature. Additional comments within a thirty (30) day period beginning with the date of receipt of the report may be added to the evaluation report by the administrator for the purpose of response.
- C. If negotiation meetings between the Board and the Association are scheduled during a school day, the designated representatives of the Association shall be relieved from all regular duties without loss of pay as necessary to permit their participation in such meetings. When it is necessary, pursuant to Article IV (Grievance Procedure), for any administrator designated by the Association to investigate a grievance or attend a grievance meeting or hearing during a school day, the administrator shall, with the permission of his/her immediate supervisor, and with the approval of the Superintendent of Schools or his/her designee, be released without loss of pay as necessary in order to permit participation in the foregoing activities. Any administrator whose appearance as a witness is required in such investigations, meetings or hearings shall be accorded the same right. The Association agrees that these rights shall not be abused.
- D. It is understood that this Agreement is subject to, and shall operate within the framework of, the statutes of the State of Connecticut.
- E. It is understood that administrators shall continue to serve under the direction of the Superintendent of Schools and in accordance with Board policies and administrative rules and regulations, provided that the Board policies and administrative rules and regulations shall not conflict with the terms of this Agreement.
- F. If any portion of this Agreement is ruled invalid for any reason, the remainder of the Agreement shall remain in full force and effect.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Definitions

1.
 - a. A grievance shall be a complaint by an administrator that there has been a violation, misinterpretation, or misapplication of a specific provision of this Agreement and shall be subject to the grievance procedure and may be processed to arbitration (Level Three).
 - b. A complaint based upon an event or condition which affects the conditions of employment of an administrator or group of administrators, shall be subject to the grievance procedure and may be processed through the Board level (Level Two), but shall not be arbitrable.
2. An aggrieved person is the person or persons making this claim,
3. A "party in interest" is the person or persons in the bargaining unit making the claim and any person who might be required to act or against whom action might be taken in order to resolve the claim.
4. "Superintendent" shall mean the superintendent or his/her designee.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings shall be kept confidential as the law permits at each level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any administrator having a grievance to discuss the matter informally with any appropriate member of the administration.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended or reduced by mutual agreement, set forth in writing.
2. Any grievant who does not stay within the specified time limits shall be considered to have waived his/her grievance and the grievance procedure shall stop at that point.
3. In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein may be reduced by mutual consent so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter if possible. If no agreement is reached by the parties, however, the regular timetable shall prevail.
4. Level One - Superintendent

An administrator who feels aggrieved shall first attempt to informally resolve the problem with his/her immediate supervisor or the Superintendent of Schools prior to formal filing of the grievance at Level One, except in cases where time constraints make it impossible to do so. An administrator with a grievance shall submit the grievance in writing to the Superintendent of Schools on Form I within fifteen (15) working days after

the grievable matter was known or, through the exercise of due diligence, should have been known. The administrator will, in a meeting held within seven (7) working days after the grievance was filed, discuss the grievance with the Superintendent of Schools either directly or through the Association's representative with the objective of resolving the matter. A decision must be made within three (3) working days after the grievance meeting with the Superintendent of Schools. All grievances, in order to be valid, must set forth a plain statement of the grievances and must indicate whether or not the grievance involves an allegation of a violation, misinterpretation or misapplication of a specific provision of this Agreement, or whether it is a complaint based upon an event or condition which affects conditions of employment. If the grievance is contractual in nature, the written grievance shall cite with specificity the particular provision or provisions of this Agreement claimed to have been violated. The written grievance shall state the remedy requested.

5. Level Two - Board of Education

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within ten (10) working days after he/she first met with the Superintendent, he/she may file the grievance in writing with the Board on Form II within five (5) working days after a decision by the Superintendent, or fifteen (15) working days after he/she first met with the Superintendent, whichever is sooner. Within fifteen (15) working days after receiving the written grievance, a committee of the Board shall meet with the aggrieved person for the purpose of resolving the grievance. The ultimate decision on the grievance at Level Two shall, however, be rendered by a quorum of the Board within fifteen (15) working days after the grievance meeting.

6. Level Three - Arbitration

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within fifteen (15) working days after he/she has first met with the Board committee, he/she may request, in writing, on Form III, the Association to submit his/her grievance to arbitration. The Association shall have ten (10) working days in which to file with the Board a written demand for arbitration starting with receipt of the Board's decision by the Association or, if no decision has been rendered, within fifteen (15) working days after the first meeting with the Board committee.

Grievances which do not involve the violation, interpretation or application of any of the provisions of this Agreement may be processed through Level Two and shall not be arbitrable.

- b. Within ten (10) working days after such written notice of submission to arbitration, the Board and the Association shall agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators shall be made to the American Arbitration Association by either party. The parties shall be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator:
- c. The arbitrator so selected shall confer with representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision in accordance with the rules of the American Arbitration Association. The

arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. Arbitration of grievances involving the interpretation, violation, or application of any of the provisions of the Agreement shall be final and binding, subject to law. The arbitrator shall have no power to add to, subtract from, or otherwise modify any provision of the Agreement.

- d. The costs for the services of the arbitrator shall be borne equally by the Board and the Association.

Rights of Administrators to Representation

1. No reprisals of any kind shall be taken by either party or any member of the administration against any party in interest or any other participant in the grievance procedure by reasons of such participation.
2. Only the Association shall be allowed to appeal unresolved grievances to arbitration, and no individual member or members of the Association may invoke arbitration of grievances pursuant to this Agreement unless their request for submission of a grievance to arbitration has been accepted by the Association and appealed to arbitration by the Association.

E. Miscellaneous

1. Decisions rendered at Levels One and Two of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the President of the Association. Decisions rendered at Level Three shall be in accordance with the procedures set forth in Section C, paragraph 6.
2. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
3. Forms for filing grievances shall be prepared and given appropriate distribution by the Superintendent to facilitate operation of the grievance procedure.
4. The sole remedy available to any administrator for any alleged violation of this Agreement or any of his/her rights hereunder shall be pursuant of the grievance and arbitration procedure; provided, however, that nothing contained herein shall deprive any administrator of any legal right. If an administrator is not represented by the Association, the Association shall have the right to be present and to state its position at all stages of the procedure.

One-half of the Board's contribution toward the deductible will be deposited into the HSA accounts in September and the remaining one-half will be deposited into the HSA accounts in March. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan but rather relates to the manner in which the deductible shall be funded for actively employed administrators. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

A Health Reimbursement Account ("HRA") shall be made available for any administrator who is precluded from participating in a Health Savings Account ("HSA") because the administrator receives Medicare and/or veterans' benefits. ARTICLE XIV

DUES DEDUCTION

- A. Upon the submission of a voluntary written authorization signed by an administrator, the Southington Board of Education agrees to deduct from the salary of the administrator an amount equal to the Association membership dues by means of payroll deductions. The amount of the deduction from each paycheck shall be equal to the total Association membership dues divided by the number of paychecks from and including the first paycheck in September through and

including the last paycheck in June. The amount of Association membership dues shall be certified by the Association to the Board of Education prior to the opening of school each year.

- B. Those administrators whose employment commences after the start of the school year shall pay a prorated amount equal to the percentage of the remaining school year.

ARTICLE XV

PROMOTIONS - TRANSFERS - REASSIGNMENTS

- A. All openings for positions in the bargaining unit shall be publicized by posting in each school for a period of ten (10) days unless the parties agree in writing on a case-by-case basis to a shorter or longer posting period. The qualifications for the position shall be clearly set forth in the posting notice. Among other factors, consideration shall be given to applicants for past service and experience in the Southington Public Schools.
- B. To the extent possible, transfers and reassignments will be voluntary, but the Board reserves the right to make such transfers and reassignments. Changes in assignment which are involuntary shall not be effected or announced without a prior personal conference between the administrator involved and the Superintendent of Schools or his/her designee at which time the administrator shall be notified of the reason for the transfer or reassignment. At the request of the employee the reason for the transfer or reassignment shall be given in writing. No administrator shall arbitrarily or capriciously be demoted or have his salary increase arbitrarily or capriciously withheld for unsatisfactory performance or misconduct.

ARTICLE XVI

SABBATICAL LEAVES

- A. Sabbatical leaves may be granted at the discretion of the Board of Education to certificated personnel upon recommendation by the Superintendent of Schools, providing the following conditions are accepted.
 - 1. No more than one (1) member of the bargaining unit may be on sabbatical leave at any one (1) time.
 - 2. Application must be made to the Superintendent of Schools no later than December 31 of the school year preceding the school year in which the sabbatical is to be taken.

3. Leaves may be granted for up to a full year to personnel with seven (7) or more years of continuous service in Southington.
 4. One-half (1/2) of the salary rate of the year of leave will be paid and health insurance benefits will be continued, provided the recipient agrees:
 - a. to return to Southington for three (3) full years for each year of sabbatical leave;
 - b. to refund the Town of Southington on a pro rata basis that fraction of sabbatical payment received which will be equivalent to the fraction of time not completed under 4(a).
 5. The recipient agrees to spend at least four-fifths (4/5) of the sabbatical leave time in academic study and submit evidence of such or make refund under the same terms as 4b.
 6. Sabbatical leave may be used for travel purposes at the discretion of the Board of Education.
- B. Upon returning from sabbatical leave, an administrator shall be placed in his/her former administrative position or a substantially equivalent administrative position in status and pay. The administrator shall be placed on the established salary range as though he/she had been in active service in the system for the year of the sabbatical leave. The sabbatical leave shall not affect continuity of service nor accrual of seniority toward longevity benefits.

ARTICLE XVII

PROFESSIONAL LEAVE

The Board will pay, within limits of appropriations, the reasonable expense (including fees, meals, lodgings and transportation) incurred by administrators who attend workshops, seminars, conferences or other professional improvement sessions, for particular purposes of special benefit to the school system, at the request of the administrator or the Superintendent of Schools and with the advance approval of the Superintendent of Schools.

ARTICLE XVIII

STRIKES

During the term of this Agreement, the Association shall not cause or sponsor, and no administrator shall cause or participate in, any strike or work stoppage. If the Association disclaims in writing to the Board responsibility for any act prohibited hereby, it shall not be liable in any way therefor. Administrators who participate in any such act may be disciplined or discharged without recourse to arbitration; provided, however, that the question of their participation shall itself be subject to arbitration.

ARTICLE XIX

REDUCTION IN FORCE

It is understood that it is within the discretion of the Board of Education to reduce the educational program, curriculum and the number of administrative employees. If, in the Board's judgement, it is necessary to reduce the administrative staff in areas covered by this collective bargaining agreement, identification of the employee(s) to shall be made in accordance with the procedures of this article.

First, the Board shall determine the number of positions to be eliminated and identify the administrative classifications in which the eliminations will take place. Within any administrative classification, seniority is based on continuous, unbroken service as an administrator in any administrative position in the bargaining unit in identifying employees for reduction, so long as the remaining more senior administrator is determined by the appointing authority to be both qualified and certified to perform the duties and responsibilities of remaining positions within his/her administrative classification. In case two administrators have equal administrative seniority then total continuous, unbroken service in the school system (teacher and administrative) shall be the tiebreaker, subject to the above determinations by the appointing authority in reviewing the records.

To promote an orderly reduction in administrative personnel, the following more specific procedures will be used to identify the administrators to be affected by the staff reduction:

1. Any administrator relieved of his/her duties because of a reduction in staff shall be offered a vacant administrative opening in particular administrative classification for which he/she is determined by the appointing authority to be both qualified and certified, if such a vacant position exists,
2. If an administrator is relieved of his/her duties because of a reduction in staff, he/she will be offered the position of an administrator who has the least seniority (as above defined) in the same classification, provided the more senior administrator is determined by the appointing authority to be both qualified and certified to displace the least senior administrator in the same classification. Bargaining unit members qualified and certified as set forth above may bump within classification and then downwards (7.a to 7.g) only. Downward bumping can only occur when the administrator who is bumping has greater seniority than the administrator being bumped.
3. If an administrator is placed due to a reduction in force into a lower administrative position, he/she will continue to receive his/her present salary until the salary for the new administrative position reaches or exceeds his/her present salary.
4. If an administrator is relieved of his/her duties because of a reduction in staff and does not qualify for another administrative position under this article, he/she will have all rights provided under the laws of the State of Connecticut to be assigned to a teaching position in the Southington school system. If appointed to a teaching position, a displaced administrator will be given experience credit both within and out of the Southington school system for purposes of salary classification on the teachers' salary schedule. Administrators who, as a result of a reduction in force, take positions as teachers in the teacher unit will be placed on the administrators' recall list for a period of two (2) years, commencing with the effective date of their layoff, and will be recalled if an administrative vacancy within their classification at the time of layoff becomes available for which they are determined by the appointing authority to be both qualified and certified, based upon the reversal of the above seniority and qualification criteria. Otherwise, the administrator(s) shall be terminated and shall be placed on the above-described recall list for a period of two (2) years starting with the effective date of termination. It is agreed that seniority rights concerning recall shall be applied in the reverse and that recall rights shall be limited to recall to the classification last occupied at time of termination or reassignment to the teacher unit, provided that the administrator is also determined by the appointing authority to be both qualified and certified.
5. An administrator displaced to the teachers' unit by reason of a reduction in force shall receive fifty percent (50%) of the difference between what would have been the administrator's new salary (as of July 1) and the teacher salary. Notice of any such

displacement shall be made as soon as practicable. The first thirteen paychecks shall be at the administrator's rate and the remaining thirteen paychecks shall be at the teacher salary rate.

6. The two (2) year recall period shall commence with the last date the employee performed work as a member of the bargaining unit. The Board's obligation to recall a laid-off employee shall be fully discharged by sending a written notice of recall to the individual's last address appearing on official Board personnel files maintained in the central office by registered or certified mail, with a copy to the Association President. It shall be the individual's responsibility to keep the address current. If the individual who is recalled does not accept the offered position in within two (2) calendar weeks from the date of the recall notice or make other arrangements acceptable to the Board or its agents, he/she will be dropped from the recall list. In any case, employees on the recall list shall lose all recall rights after two (2) calendar years.
7. Classifications as mentioned in this article shall be defined as follows and are listed from high (a.) to low (g.):
 - a. Secondary principals (grades 6-12) and Director of Teaching and Learning
 - b. Elementary principals (grades K-5)
 - c. Assistant principals (K-12)
 - d. Director of School Counseling (grades 6-12)
 - e. Coordinators (All administrators in this classification shall be placed in one pool for RIF purposes, with limited bumping rights as set forth in section 2 above).
 - f. Director of KSA
 - g. Athletic Director
8. It is agreed that all terminations shall be effected in accordance with the applicable provisions of the Connecticut Teacher Dismissal Law (Section 10-151) and shall not be the subject of a grievance or claim for arbitration.

ARTICLE XX

JUST CAUSE

Disciplinary action in the form of a written reprimand or a suspension without pay shall only be imposed for just cause.

The provisions of this Agreement shall be effective as of July 1, 2026 and shall remain in full force and effect until June 30, 2029.
