Group ID: TURKEY "Teacher Last Name" field should be populated with the student's 6<sup>th</sup> period teacher. Products can be purchased, or donations made through Midwest. We receive a portion of those proceeds of the products purchased and donations made through their website. If families would prefer to donate directly to the Indians Club (rather than through Midwest Fundraising) they can do so on our website at the following link. We receive 100% of the donation proceeds made through our website. Our website link is below.
