_____ ***The War of the Maps (The Vanished Kingdom Book 3)***, (Hardcover) \$19.99

Since time before time, two opposing forces have been locked in an endless battle: It is the war between magic and reason—between what if and what is. And the victor will not just shape the future but the very nature of reality.

Peter Nimble and Sophie Quire have spent the last four years fighting to protect a world of magic from the insidious, unstoppable forces of “progress.” But, every day, the wonders that once surrounded them are vanishing. Lurking behind this transformation is a mysterious group called The League of Maps that seems to hold the answers.

As Peter and Sophie fight to untangle this mystery, they find themselves thrown into opposing sides of a vast war that stretches from the very beginning of humanity and into our present age.

_____ ***Sophie Quire and the Last Storyguard (The Vanished Kingdom Book 2): Revised Edition***, (Paperback) \$10.99

It's been two years since Peter Nimble and Sir Tode rescued the kingdom of HazelPort. In that time, they have traveled far and wide in search of adventure. Now they have been summoned by Professor Cake for a new mission: to find a 12-year-old bookmender named Sophie Quire.

Sophie knows little beyond the four walls of her father's bookshop, where she repairs old books and dreams of escaping the confines of her dull life. But when a strange boy and his talking cat/horse companion show up with a rare and mysterious book, she finds herself pulled into an adventure beyond anything she has ever read.

_____ ***Peter Nimble and His Fantastic Eyes (The Vanished Kingdom Book 1): Revised Edition***, (Paperback) \$10.99

Peter Nimble and His Fantastic Eyes is the utterly beguiling tale of a ten-year-old blind orphan who has been schooled in a life of thievery.

One fateful afternoon, he steals a box from a mysterious traveling haberdasher – a box that contains three pairs of magical eyes. When he tries on the first pair, he is instantly transported to a hidden island, where he meets the eccentric Professor Cake.

The Professor gives Peter a choice: travel to the dangerous Vanished Kingdom to rescue a people in need...or return to a life of crime. Peter chooses wisely, and together with Sir Tode, a knight who has been turned into a rather unfortunate combination of human, horse, and cat, and the magic eyes, he embarks on an unforgettable, swashbuckling adventure to learn his true destiny.
