

Media Waiver/Internet Publishing Parent Permission Form

Los Lunas Schools is proud to promote the success of its students, staff and programs. These accomplishments may draw the attention of newspapers, television stations and other media who visit our school sites to photograph, film and identify students and staff during various activities.

Los Lunas Schools itself also uses images and video clips of students in materials such as marketing, advertising and promotional publications, as well as newsletters, website content, and postings to official district social media platforms.

Please indicate below whether you are permitting your child to be filmed, interviewed, and/or photographed for the use of print and/or electronic media. This may include, but is not limited to, newspaper publications, television news reports, and social media. I understand that no compensation will be made for this use.

- Student work may be published only as it relates to a curricular-related or school activity
- All web publications may include only students' first names
