Conferences

Thank you for attending conferences!! We were able to make contact with 57% of our student's families either in person, zoom or over the phone. Your partnership and support is essential to the success of your child and you are part of our team!

If you were unable to attend, please reach out to one of the teachers and let's get a conversation planned soon. As a reminder, Skyward is the record of grades and not Canvas. When you log into Skyward, missing assignments are highlighted in **RED.** The end of the quarter is quickly approaching - October 16th. Don't wait until the final work to look at those grades….it will be too late!

October is recognized as National Bullying Prevention Month, a time for schools and families to work together to create a safe and supportive environment for all students. At Mill Creek Middle School, we are committed to promoting kindness, respect, and inclusion every day. Throughout the month, we will continue reinforcing our RISE expectations and encouraging students to stand up against bullying by supporting one another. We will have a number of presentations for each grade level and some spirit days. Together, we can help every Mustang feel valued and safe.

R - Responsibility
I - Integrity
S - Safety
E - Excellence

Reminders

- **Always check the website if you have questions**
- **You must show your drivers license to enter the school**

This award recognizes employees who continually exceed expectations—those who are truly *making a difference* for our students, families, and colleagues.
