Eagle News

Anderson Island Elementary **September 26, 2025**

Good afternoon Eagle Families,

We had a great week at school, and our Eagles continue to soar in their learning and growth. Next week, we are looking forward to Music, time in the Library, and enjoying our Outdoor Classroom.

One thing I want to highlight is attendance. Research shows that students who attend school regularly are more likely to stay on track academically and build the strong habits that lead to long-term success. I'm proud to share that our attendance has been strong this fall, and every day your child is here makes a difference in their learning and progress.

As we head into the weekend, I encourage everyone to get outside and play, get some rest, and find a good book to enjoy.

See you all next week.

- Mr. Miller

25 Booster Club Trunk or Treat

27 AIHS Johnson Farm

31 Fall Party

Notes from the Classroom

Mrs. Cunningham

Another week in the books! This week we learned about realistic fiction and read a few selections about cultures and traditions around the world. Younger students are still mastering letter names and sounds and blending sounds to make words. In math, 3rd grade finished up Unit 1 (rounding) while younger students focused on numbers and operations. In science, everyone had a blast learning about different habitats and the needs of living things.

To round out the week we had a lovely library afternoon, an amazing music lesson, and finished in the outside classroom observing and learning about our natural habitat on Anderson Island.

We are officially in Fall and ready for sweater weather. The afternoons can still get warm so dress ready to be outside. October is filled with fun field trips and a conference week. Be on the lookout for upcoming permission slips and conference sign-ups.

Enjoy the weekend!

Mrs. Cunningham

Friday's are for Outdoor Adventures

STEILACOOM APPLE SQUEEZE
Sunday, October 5, from 10 to 4

Press apples into cider the old-fashioned way! Listen to great music while strolling through the street fair featuring quality handcrafts and booths. Enjoy apple related foods such as apple cider float, caramel apples or apple pie with ice cream! Check out the firetruck and meet firefighters! This is a family friendly event.

Student clubs from the Steilacoom High School will offer activities for children in the tennis court area and help out in other ways. Members of Boy Scout Troop #71 run one of the presses and help with the press operations. The Museum and the Wagon Shop will also be open.

Sponsored by the Steilacoom Historical Museum. Call 584-4133 for more information or go to www.steilacoomhistorical.org
