

9-26-25

Good afternoon families,

What a great week! We are very proud of students' performance on our science test. It is evident that the majority studied, and their hard work paid off! We continued working on unit 2 math and ela skills. Please see the dates below for our next major assessments before the quarter 1 grading period ends. Students were also rewarded for following our schoolwide PBIS expectations by participating in our celebration of chalk and play! Ask them about their beautiful creations.

Slots are filling up for fall conferences! Please click on the sign-up genius link to see the available dates/times your teacher has. If you have already met with your teacher this year, or have upcoming meetings scheduled with your teacher, you do not need to sign up as those meetings meet the fall conference requirements.

### **Important Dates**
