

Clubs & Activities at Northwest Middle School, 2025-26

• Art Club

Students come together to explore and create art in a fun, supportive, and creative environment outside of the typical art class. Students get to experiment with various materials and mediums beyond the standard curriculum—like painting, drawing, sculpting, collage, mixed media, just to name a few. While the focus is fun and creativity, students build their foundational art skills. Art Club will have limited membership this year. Prospective students should see Mrs. Kanir for an Interest Form. Students will need to submit the Interest Form, recommendations from two teachers along with a drawing of their choice.

Sponsor: Mrs. Kanir

Meetings: Wednesdays @ 3:45 – 5:00 in room 103-A

• Battle of the Books

This is a book club culminating in a district / statewide quiz bowl competition. Students must read 20 books on a list provided by NC School Library Media Association, who sponsors the competition. Competition Team Member selection occurs just after Thanksgiving Break. The Preliminary Virtual Competition will be held in February. Final Competition will be at UNC-Greensboro in March. Parent permission form is required to participate once the team has been selected.
