Our school community is deeply saddened by the events of Friday evening, when two of our students were involved in a serious car accident caused by a vehicle being pursued by law enforcement. One of the students remains hospitalized in critical condition, and the other is home after receiving medical care.

At this time, our focus is on supporting the students, their families, and all who are impacted. Counselors and support staff will be available at school to provide care and assistance to students and staff members.

We ask our community to join us in keeping these students and their families in your thoughts during this very difficult time. Out of respect for the families' privacy, no further details will be shared at this time.
