

STATEMENT OF FAITH

We believe the following, that

- A. God is Creator of all of humankind and the world.
- B. Each person is responsible to God for the stewardship of human life and the stewardship of the world.
- C. All people have separated themselves from God through sin and this separation can only be healed through the reconciling work of Jesus Christ as Savior and Lord.
- D. The possibility of pleasing God depends upon each person's acceptance of Jesus Christ as Savior, and upon receiving and being obedient to the indwelling Spirit of God.
- E. The full revelation of God's will to humanity is found in the sixty-six books of the Bible.
