- **Adults. *Price: 80€ (1 session for week)**
From Monday to Friday, 8:30pm to 9:30pm
Friday, from 14pm to 15pm

- **Early Years**
P2-I3: Tuesday and/or Friday, from 12:15 to 13pm
I4-I5: Tuesday and/or Thursday, from 12:15 to 13pm

- **Primary**
1,2,3P: Monday and/or Wednesday, from 13 to 13:45pm
4,5,6P: Tuesday and/or Friday, from 13 to 13:45pm

- **Secondary, Baccalaureate**
Monday and/or Thursday, from 13:50pm to 14:35pm

- **Price for students:**
70€/month (1 session per week)

Basketball

- **Early Years 4,5**
Wednesday, from 13pm to 13:45pm

- **Primary**
Tuesday, from 16:30pm to 17:30pm
Wednesday, from 13pm to 13:45pm

- **Secondary**
Tuesday, from 16:30pm to 17:30pm

- **Price:**
45€/month

Baby Gym

- **Early Years**
Wednesday, from 12:15pm to 13pm

- **Price:**
46€/month

Rythmic Gymnastics

- **Primary**
Friday, from 13pm to 13:45pm

- **Price:**
46€/month

Judo

- **Early Years 3,4,5**
Monday, from 12:15pm to 13pm

- **Primary**
Friday, from 16:30pm to 17:30pm

- **Price:**
45 €/month

Swimming

- **Inf 5 - Primary**
Wednesday, from 16:30pm to 17:30pm

- **Price:**
50 €/month

Artístic Swimming

- **Primary:**
Thursday, from 16:30pm to 17:15pm

- **Price:**
52 €/month

Football

- **Early Years**
  Thursday, from 12:15pm to 13pm

- **Primary:**
  Thursday, from 16:30pm to 17:30pm

- **Secondary:**
  Thursday, from 16:30pm to 17:30pm

- **Price:**
  45 €/month

Hockey

- **Early Years 4 and 5**
  Monday, from 12:15pm to 13pm

- **Primary:**
  Monday, from 13pm to 13:45pm

- **Price:**
  45€/month

Golf JMLara

- **Primary**
  Wednesday, from 16:30pm to 18pm (Xixerella)

- **Secondary:**
  Monday, from 16:30pm to 18pm (Xixerella)

- **Price:**
  130€/month (one-way transport, including)

Yoga

- **Early Years 3,4,5**
  Tuesday, from 12:15pm to 13pm

- **Primary:**
  Tuesday, from 13pm to 13:45pm

- **Price:**
  45€/month

B2, First for schools

- **Secondary and Baccalaureate**
Wednesday, from 16:30pm to 18:00pm

- **Price:**
150€/month (minimum 3 students).
ANNUAL registration

133€/month (minimum 3 students)

Time period: From 1th October 2025 to 12th June 2026.

*The right of admission is reserved

GENERAL CONSIDERATIONS:

- START OF ACTIVITIES: 01 October 2025.
- END OF ACTIVITIES: 30 June 2026.
- OPEN DAY: During the second half of September (prior confirmation by email).
- A minimum number of participants will be required for the activities to take place.
- The official school holiday calendar will be respected for the activities.
- Classes will not be made up if the student is absent.
- There will be no transport service once the after-school activities have finished, so students must be picked up by their parents (please be very punctual).

Registration:

- All activities are compulsory for registration on a QUARTERLY basis, except for the Language, Drama and Stock Market activities, which are ANNUAL.
- Monthly instalments will be invoiced.
- Pre-registrations must be formalized through the “Alexia” platform and access the specific module of “Extracurricular activities” (attached you can find the manual), or by sending the completed registration form to the following email address: pilar.fargues@agorainternationalandorra.com
- To unsubscribe from an activity, you must notify in writing (via email), at least 15 days before the end of the term and you will be billed for the whole term: pilar.fargues@agorainternationalandorra.com
- Enrolments will be automatically renewed every term, unless otherwise informed in writing.

				DELF	

Description of the activities:

Tennis Viktory School	Equipment required: sports clothing, racket and specific tennis shoes (compulsory to participate in the activity).
Padel Viktory School	Equipment required: clothing and sports shoes, racquet.
Basketball	Children learn dribbling skills, defensive footwork, defensive positioning WITHOUT hands, ball control, 3x3, 1x1,... Material needed: sportswear.
Baby Gym	Early stimulation work. The children work on their motor skills, cognitive and affective areas to help develop and improve their individual abilities. Material needed: sports clothes
Rythmic Gymnastics	The children learn floor exercises, elasticity, the mastery of the different elements, choreographies,... Material needed: comfortable clothes (tights) and hair tied back.
Judo	Initiation to judo through games and basic techniques. They work on basic psychomotor skills: jumping, crawling, laterality, climbing, etc., as well as socialisation and group cohesion. Necessary material: sportswear, it is recommended to bring judogi (kimono).
Swimming	Lessons to improve and perfect the different swimming styles and aquatic skills (head toss, turning, diving, turns, jumps, flotation,...). Equipment needed: swimming costume, cap, goggles
Artistic swimming	It is a discipline that combines swimming, gymnastics and dance. The children perform a series of elaborate movements in the water to the rhythm of the music. Equipment needed: swimming costume, cap, nose clip.
Football	The children learn the different fundamentals of football. Values are promoted and the specific basic coordination skills of football are initiated. Necessary material: sportswear
Hockey	The basic and introductory concepts of hockey are introduced, values are transmitted and rules and technical concepts are taught. Required material: sportswear
Golf JM Lara	The classes will take place at the pitch and putt course in Xixerella. After the class, parents must pick up their children at the course. Equipment required: sportswear and golf equipment.
Yoga & Mindfulness	Dynamic classes in which through the body we work on strength, flexibility and balance, qualities that are reflected in our mind. We practice pranayamas (breathing exercises) and meditation, entering into our inner world and getting to know ourselves better. Required material: comfortable clothes.
Drama	This is a theatre programme, taught in English, which includes theatre games, role-play and script, culminating in a performance of the chosen play. Material required: comfortable clothing. Compulsory annual enrolment
Ballet Classique	Classes will be taught in English. In this activity, students will begin to learn the basic ballet steps such as demi-plié, sautés, skips, gallops, tendus corners and basic choreography. Equipment required: hair up, elastic tights and ballet shoes.
Urban Dance	Students learn choreographies. Necessary material: comfortable clothes for dancing.
B2 First, C1 Advanced	Preparation for the official Cambridge English exams B2 and C1. Compulsory annual enrolment
DELF	Preparation for the official French exams. Compulsory annual enrolment
Violin suport classes	Suport classes for those new students, or not, who need it. Necessary material: violin

Description of the activities:

Guitar	Equipment required: students should bring their own instrument.
Piano	Through dynamic and fun classes, students will learn to read music scores and play the king of musical instruments: THE PIANO. Necessary material: notebook with staves and pencil. The school provides the instrument.
Art	The objective of this class is to provide an experimental space where creativity is developed through all artistic techniques, including art therapy. Required material: **1 spiral-bound sketchbook** with 130 gsm sheets, size A4.
Digital Art	In this activity, students will learn how to create digital illustrations using the Procreate app on iPad. From the initial sketch to the finished piece, they will develop their own drawings or ideas while exploring the full process: digitizing, sketching, coloring and final touches. Required materials: **iPad** with the **Procreate app installed** (€14.99 one-time purchase), **digital pencil**, and basic drawing skills.
Think about Sciences	This project was born with the idea of bringing science to all children in an attractive, fun and experimental way. The main objective of this extracurricular activity is to encourage curiosity and introduce the laws of Physics and Chemistry through play and experimentation.
Living Science	Its main objective is to foster scientific curiosity through project design, research on current topics, the generation of innovative ideas, and hands-on experimentation in the laboratory. This initiative aims to channel the scientific interests of secondary school students and to strengthen the use of the scientific method as an active and practical learning approach.
Robotics	Children are introduced to the world of technology, robotics and programming. We use different robot platforms and applications to learn how to build and program them. We also work on coding with different applications.
Coding Club	Your child will learn tools and languages such as: Scratch, HTML, CSS, Minecraft, Microbit, Rasperry Pi, Sonic Pi, JavaScript and Pythop.... through fun games and challenges. Let's get digitally creative!
Introduction to the Stock Market	If you're wondering how someone can become a millionaire, you'll see that there are basically three paths: 1. Starting a successful business. 2. Winning some kind of prize or contest (like the lottery). 3. Becoming a good investor. In this activity, we won't learn how to win the lottery or build a successful company, but we will talk about the third option: investing. Making money in the stock market isn't difficult. You don't need to be the smartest person or have advanced knowledge. What you really need is: Self-awareness. A desire to learn. And above all, a lot of patience. Annual registration is required. Recommended reading: "El pequeño libro que aún vence al mercado" de Joel Greenblatt
Suport classes	Collective classes are offered for core subjects (minimum 3 students enrolled) of 1h30' . Subjects of: Language ESO-Bach, English ESO-Bach, Mathematics ESO-Bach. Private lessons are also available on request.
