Attendance Area Review  
Recommendation

# Background:

**TSD has historically engaged in reviewing attendance areas to ensure organizational health.**

- Review enrollment patterns and challenges every 5-10 years
- Previous AARC groups in 2015 & 2018 & 2022
- Community survey was conducted

## AARC Process:

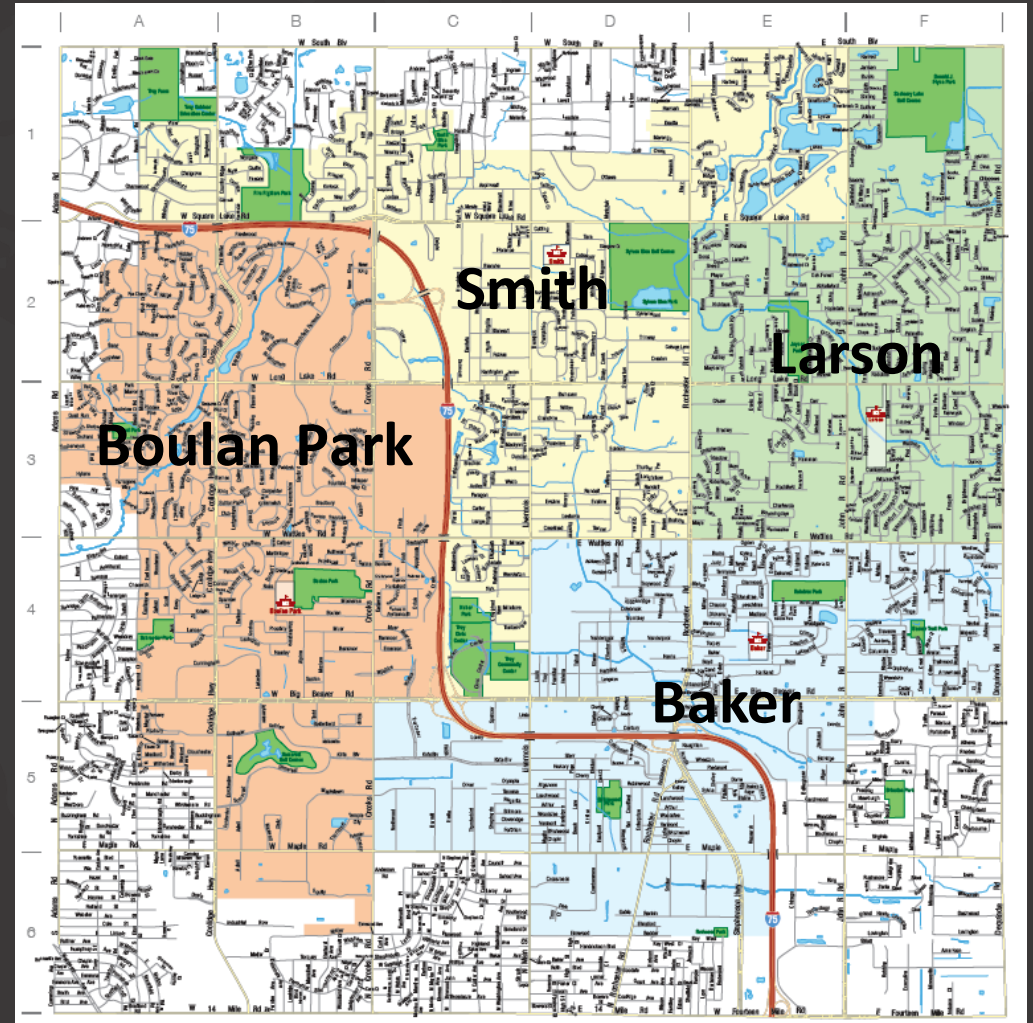

- Committee was convened from October – December 2024
- Multiple recommendations were considered (Options A-E)
- Five community meetings were held from March – April 2025
- The Board identified Option C for further consideration
- Board data gathering and deliberation (May – September 2025)

# Recommendation for BOE Approval

- Recommendation proposes **no changes to existing boundaries**
- SOC families will primarily be placed in elementary pathways that feed Smith and Baker (where appropriate). **65 enrolled**
- Beginning Fall 2026, open enrollment to Larson will be closed with the exception of families whose sibling would be concurrently enrolled. **Approximately 20 students annually.**
- Somerset Apartment students will follow their elementary cohort to middle school and then to Troy High. **Approximately 190 students impacted.**
- Smith, Baker, and Athens will offer open enrollment.
- New Somerset Families enrolled during 25/26 school year will be enrolled at Smith MS or Baker MS
