Dear Boyd-Buchanan Community,

As Head of School, it is a true blessing to write to you as the leader of this incredible community of faith, learning, and service. Whether you are a long-time member of our school family or have just joined us, thank you for your commitment to partnering with us in our mission to educate students with academic excellence, strong character, and a foundation rooted in Jesus Christ.

At Boyd-Buchanan School, we believe that Christian education is fundamental in students' development of a Biblical worldview. We are called to cultivate the hearts and minds of students so they can stand strong in their faith, pursue God's calling, and impact the world around them.

While leading this school, I often reflect upon the direction and future goals of our school. Whether the focus is on academic opportunities, meeting the needs of families, or impacting the spiritual development of our students, we must be clear about our direction. When our world is filled with shifting values and changing priorities, our compass must be set on the unchanging truth of God's Word.

A compass always points north. In much the same way, we believe that Jesus Christ is our true North. He is our unwavering guide for all we do. He shapes our vision, grounds our values, and directs the hearts of our students as they grow in faith, knowledge, and character.

As our school continues to grow in our new mission and vision, we believe it's time for our annual report to better reflect who we are and where we're headed. Our annual report was named the Projector for many years. However, we have decided to transition from Projector to Compass. A compass symbolizes direction, clarity, and our Christ-centered focus as we guide students spiritually and academically. Our desire is for this publication to consistently reflect our community's commitment toward God's truth and purpose.

As we reflect upon the past, we give God the glory for the many blessings he has bestowed upon Boyd-Buchanan School. As we look to the future, may we keep our eyes fixed on Him.

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."

· PROVERBS 3:5-6 ·

Blessings,
Dr. Renee Murley
