Scarborough Public Schools' District Curriculum Website

Our district's website contains information regarding our curriculum from kindergarten through grade twelve. While some parts are still under construction or being developed more fully, we invite you to take a look at the standards, units, and themes your child is learning this year. You can reach the documents by going to

<https://www.scarboroughschools.org/central-office/curriculum-assessment/k-12-curriculum>.

From there you can view the links to each grade level. Please reach out to us in the Curriculum & Assessment office at kvetro@scarboroughschools.org with any questions.

K-12 Curriculum

The Scarborough Schools curriculum is based on both Maine and national standards. In doing so, we provide a strong and flexible curriculum that empowers each and every student to develop as a life-long learner preparing them for success within and beyond our schools.

While all children progress along a continuum of developmental and academic stages, they develop at different rates and in different ways. In other words, each child learns in their own way and at their own pace.

What To Expect When Visiting Our Schools

For the past couple of years, Scarborough Public Schools has been using the Raptor Visitor Management System in all of our schools to strengthen our program of campus safety for students and staff. Part of keeping students and staff safe is knowing who is in our buildings at all times, and the Raptor system assists in

screening visitors, contractors, and volunteers in our schools, providing a safer environment for our students and staff.

What to Expect:

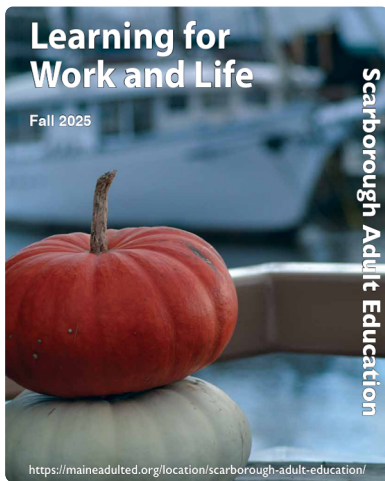

- Upon being allowed through the exterior door of a district building and navigating to the main office, all visitors and outside contractors are asked to present a photo ID such as a driver's license.
- Your ID will either be scanned or manually entered into the system by office personnel at the transaction window.
- Once cleared, you will receive a pre-printed badge with your photo on it and where you are going in the building.
- You will then be directed to the appropriate location that you are going to.
- This badge must be worn at all times when in the building. When in the building, you are only approved to go to the specific location requested. You should not go to any other area of the building without returning to the main office for approval first.
- When leaving the building, please be sure to return to the main office and sign out with office personnel.

What does the Raptor System do?

- The Raptor system checks to ensure that registered sex offenders are not entering our school campuses without our knowledge. It checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. **The registered sex offender database is the only official database. No other data from the ID is gathered or recorded, and the information is not shared with any outside agency.**
- The Raptor system also checks for any court issued custodial orders, restraining orders and other custom alerts as established by the School District. The safety of our students is our highest priority, and the Raptor Visitor Management System allows us to quickly identify those that may present a danger to our students. Thank you in advance for your support in following the school safety protocols in our district

2025-2026 School Calendar

[2025-2026 School Calendar](#)

This year's calendar will allow for up to three "traditional snow days" (or any type of emergent no school days). If more than the allotted three days are needed, those days will be asynchronous remote learning days.

Central Office Hours

Scarborough Public Schools' Central Office is open Monday-Friday, 8:00 am-4:00 pm. On Fridays, because Municipal Offices are closed, please use the video intercom system located to the right of the main doors (Route 1 front doors only) to contact the School Department and be allowed entry into the building. As always, if you have any questions, please contact the Central Office at 730-

4100.
