

BOARD OF EDUCATION GOALS

2025-2026

The Public Schools of the Tarrytowns Board of Education will:

1

Goal 1: Support a High-Quality, Inclusive Educational Experience for All Students

Maintain a well-rounded academic program - including strong social-emotional learning, the arts, athletics, technology / STEAM programs, career readiness and honors / advanced learning opportunities - aligned with the District's Pillars and Portrait of a Learner to prepare students to achieve their goals.

2

Goal 2: Strengthen Communication and Engagement by Developing Outreach Methods to Connect with Constituents Not Yet Reached by the Board

3

Goal 3: Promote Fiscal Responsibility and Transparency to Support District Priorities

Ensure fiscal stability through transparent practices, focused on identifying efficiencies while ensuring all financial decisions align with the District's strategic goals and are evaluated through the Portrait of a Learner lens.

4

Goal 4: Strengthen Processes and Supports for Ex-Officio Members

Create clear structures, resources, and communication practices that enable ex-officio members to actively and effectively contribute to the Board's work.
