

Updated New York State Regents Exams and Associated Courses

ATTN: DDC, Curriculum Dept.

Update needed for 2025 -2026 School Year

Helpdesk: DWTShelp@esboces.org

The updated exams measure student achievement in terms of the NYS Next Generation Learning Standards (NGLS) in Mathematics and English Language Arts and NYS P-12 Science Learning Standards. The chart below shows the timeline, by school year, for the rollout of each of the new Regents Examinations.

Updated Exam Descriptions and Course Codes

LEAs should update these courses in their SMS accordingly

Former Exam Name/Course Number	2025-26 Exam Name/Course Number
Regents Common Core ELA (01003CC)	Regents English Language Arts (01003)
Regents Common Core Algebra II (02056CC) (Final Administration Jan. 2026)	Regents Algebra II (02056)
Regents US History&Gov't (04101F)	Regents US History&Gov't (04101)
Regents NF Global History (04052NF)	Regents Global History and Geography (04052)

Overlapping Exams for June 2026

The new learning standards **are not** strongly aligned to the prior science standards. This necessitates an overlap period of the old and new exams to **ensure that students can complete the exam that matches the instruction they received.**

CC Standards Exam Name/Course Number	NGS Standards Exam Name/Course Number
Regents Phy Set/Chemistry (03101)	Regents Physical Science: Chemistry (03120)
Regents Phy Set/Physics (03151)	Regents Physical Science: Physics (03170)
Regents Living Environment (03051)	Regents Life Science: Biology (03050)
Regents Phy Set/Earth Sci (03001)	Regents Earth and Space Sciences (03008)

To Do:

- ☐ LEAs must be sure that the updated Regents Descriptions and Course Codes are correct in their Student Management Systems
 - DO NOT schedule students into sections that use defunct Exam Names and Course Numbers
- ☐ LEAs must add the two new Regents Exams to their Student Management System
- ☐ LEAs **MUST** differentiate which Chemistry and Physics curriculum (old or new) are being taught to students.
 - Students are to be tested **ONLY** in the curriculum in which they were instructed
