### PSAT Administration – Tuesday, October 7 (All students, grades 9-11)

On Tuesday, October 7, all students in grades 9 through 11 will participate in PSAT testing at Northview High School. The PSAT serves as a valuable tool in preparing students for the SAT and provides important data to support academic planning. Additionally, Fulton County Schools utilizes PSAT results as a universal screener; therefore, participation is mandatory for all students in these grade levels.

#### Grade-Level Assessments:

- 9th Grade: PSAT 8/9
- 10th & 11th Grades: PSAT/NMSQT

Testing will begin promptly at 8:20 AM and is expected to conclude by approximately 12:15 PM. Students are required to use their FCS-issued devices for testing. To ensure a smooth testing experience, multiple device checks will be conducted prior to test day.

**Senior Students:** Seniors will have an asynchronous learning day and will not report to campus.

**Additional Information:** Students who remain on campus after testing will have access to academic support activities, including recovery, remediation, help sessions, and study hall for work completion.

**If you prefer to check your student out following the PSAT, please complete the [PSAT check out form](#).**

**If you have questions regarding the PSAT, please contact Dr. Bounds @ [boundsc1@fultonschools.org](mailto:boundsc1@fultonschools.org).**
