

A hug from a prefect on Prize Day, a quick jump in the Nashua River, seeing all of your friends in the fan section on the morning of your Chapel Talk, a trip to Boston on Surprise Holiday, sunset-lit walks on the Circle, singing loudly to celebrating a win on the bus ride back to campus after a game, Dining Hall conversations you wish could go on forever, struggle-bonding over problem sets in Chemistry—Groton students have been having fun, making friends, and forging memories at Groton since they arrived. Enjoy a few of these moments from the last 50 years.
