

Case Management: Behavioral Health Program

Are you or a family member struggling with mental health? Behavioral health case managers can help!

The First Choice Health Behavioral Health Case Management program is a service designed to help you and your family members understand your options, get the assistance you need, and navigate the behavioral health system to get care.

Support:

Behavioral Health Case Managers are licensed counselors who bring extensive clinical knowledge and resources to support recovery from both mental health and substance use problems.

Community resources

Licensed medical staff

Holistic Care

Benefits & costs review

Tailored Treatment plan
