

Case Management: Chronic Kidney Disease (CKD) Program

Have you or a family member been diagnosed with CKD? FCH nurse case managers can help!

Our team of licensed nurses provide education and resources regarding diet, lifestyle changes, and other related issues. This includes members with Chronic Kidney Disease (CKD), stage III or higher, and End Stage Renal Disease (ESRD).

Reminder:

Our Case Management CKD Program aims to help in preventing the disease from progressing to dialysis or transplant, if possible.

Medication education

Licensed medical staff

Holistic Care

Benefits & costs review

Nutritional education
