

Case Management: Baby Steps Maternity Program

Are you or a family member pregnant? FCH nurse case managers can help!

Our Case Management Baby Steps Maternity Program builds strong partnerships between mothers, their families, and their healthcare teams. Through regular conversations with our nurses, you'll receive support, resources, and learn ways to minimize risks to you and your baby.

Reminder:

Even if you aren't a first-time mom, First Choice Health is here to help in achieving the absolute best outcomes for both mothers and babies.
