Frequently Asked Questions

Where is the application available?

The application is available at <https://ia.rcstn.net>

What is S.T.E.A.M.?

S.T.E.A.M. is an acronym that stands for science, technology, engineering, arts, and mathematics.

When is the application due?

All applications must be submitted electronically by November 24, 2025.

How will I find out if my child is accepted?

Parents will receive email notification of their child's status. Lottery results will be posted on our website on January 9th, 2026.

If my child is accepted into the program, when do we have to make a commitment?

You must sign a parent/scholar commitment by January 30, 2026.

What are the eligibility requirements?

Scholars who are going into the 6th, 7th, 8th, or 9th grade for the school year starting 2026 must submit a complete application by November 24th, 2025. Report card grades, assessment data, and teacher recommendations will be reviewed to complete the qualification process.

Will there be a lottery?

If the number of qualified scholar applications exceeds available seats for a given grade level there will be a lottery to award placements. The lottery will be conducted using a digital random selection process.

Can my child participate in athletics?

Yes, more information on TSSAA guidelines can be found on <https://ia.rcstn.net>

Is transportation provided?

Yes, the district does offer transportation to Innovation Academy.

Are applications only open for incoming sixth graders?

No, you can apply as an incoming 7th, 8th, or 9th grade scholar, but there is limited space in those classes.

Will there be an informational parent meeting?

Yes, two informational meetings will be offered at the Innovation Academy. Parents may attend on November 5th, 2025, or November 6, 2025, at 6:00 p.m.

Will there be any orientation or activities through the summer?

Yes, there will be a S.T.E.A.M. camp open to all incoming scholars.
