## CACRAO COLLEGE FAIR (9/18)

**BY ELIJAH ALI-GONZALEZ**

Friday, September 19<sup>th</sup>, MCHS hosted its annual college fair. This event gave students the chance to connect with representatives from different colleges in North Carolina. Every junior and senior at the early college was encouraged to visit the fair, especially juniors and seniors. Students were encouraged to attend with an open mind and be prepared to ask questions. Students completed a survey during the fair and reflected on their experience and new insights into furthering their education. Questions ranged from admission requirements, school life, and academic programs that offer exclusive experiences for early college students. Underclassmen, ask the juniors and seniors about this experience to help plan for your attendance in the years to come!
