Parties Approved to Receive Student Data

Category	Individual/Entity	Description	Confidentiality Release Requirements	Date of Board Approval
Online Instructional Services	3D Design Solid Works	Students in Technology and Engineering programs use this CADD program to design and build projects. This version moves this capability to the internet so that students can use the program on their district issued computer or any other devices allowing them to work and learn outside of class time.	No - School Official Exception	
Assessment	ACT	ACT provides practice content and assessments through ACT Academy as well as a national college admissions assessment. High school students create their own accounts or login with their BPS credentials to gain access.	No - FERPA Exception	10/26/2020
Assessment	ACT Workkeys	Jobs skills assessment associated with ACT college readiness.	No - FERPA Exception	10/12/2015
Online Instructional Services	Adobe Creative Cloud	Adobe Creative Cloud core services include installed and cloud-based applications (Photoshop, Premiere, Acrobat, Illustrator, Lightroom, etc). These are digital design and presentation tools used in specific content area courses within the district.	No - School Official Exception	8/10/2020
Assessment	AimswebPlus	Curriculum-based assessment to monitor student growth.	No - School Official Exception	10/14/2019
Other Services	Alliance Center for Hearing, PLLC	Provide hearing impaired services for preschool, elementary, middle, and high school students enrolled in BPS.	No - FERPA Exception	6/28/2021
Online Instructional Services	Amira	Students choose from several appropriately difficult and engaging texts to read. As students read out loud, Amira listens, assesses, and when they struggle, Amira provides feedback and support.	No - FERPA Exception	10/9/2023
Other Services Developmental Screening	ASQ-3 Pro Online Subscription with Family Access	A data management system with online screening questionnaire completion and reporting abilities.	No - FERPA Exception	11/23/2020

Online Instructional Services	Austin Assessment	The app will be used with students who have concerns related to Cortical Visual impairment to provide teams with information that could be beneficial for accommodations and programming. The app tracks eye movements and is able to provide additional information for those students who are nonverbal or those who may be difficult to determine their visual attention to tasks.	No - School Official Exception	2/26/2024
Assessment	Battelle Developmental Inventory	Assessment for the birth to 7.11 year old that measures developmental milestones of five different domains	No - FERPA Exception	10/26/2020
Online Instructional Services	Beanstack	This tool is used as an online reading behavior tracker where individual schools can build and monitor reading initiatives and challenges.	No, if directory information only—check for opt out requests; Yes if PII is requested	1/13/2025
Online Instructional Services	Bedford, Freeman, & Worth	AP Statistics online textbook environment (Launchpad)	No - School Official Exception	5/22/2017
Online Instructional Services	BPF Publishing/Macmillan	Online textbook support for AP Biology.	No - School Official Exception	5/23/2022
Online Instructional Services	Big Ideas Online Textbook	Mathematics curriculum for middle and high school students	No - School Official Exception	10/12/2015
Other Services	Bismarck Police Department	SRO Program and PYB Program	No - School Official Exception	10/12/2015
Other Services	Bismarck-Mandan Community Crisis Team	Support for student, student's family, student's peers during a crisis event	Yes, Release required if parent names will be released. No, if directory information only.	10/12/2015
Other Services	BPS Staff with Student Information	See School Officials by Title Information sheet.	No - School Official Exception	10/12/2015
Online Instructional Services	BrainPop	Digital content that includes text, video, and activities for student aligning aligned to a variety of disciplines.	No - School Official Exception	10/12/2015

Other Services	BrightArrow	BrightArrow provides mass communication solutions to school districts across the country. Marcia Brenner Associates (BPS utilizes for PowerSchool customizations and is already on FGA) subcontracts with BrightArrow to send emails of log entries to student contacts with password-protected attachments.	No - FERPA Exception	10/9/2023
Online Instructional Services	Brightspace	Online instructional platform that supports some CTE courses for NDCDE.	No - School Official Exception	5/13/2024
Other Services	Bull Valley Software	DocumentLok provides document management for digital files.	No - School Official Exception	5/9/2022
Online Instructional Services	BusinessU	Whole class accounting software that is a relevant, real-world application and integrates with Google classroom.	No - School Official Exception	8/14/2023
Required by law	Cambium/Pearson (NDSA)	State Assessment	No - Exception under ND law	10/12/2015
Online Instructional Services	Canva Education	A graphic design tool to create posters, graphs, ebooks, comic strips, and edit photos.	No - School Official Exception	3/9/2020
Online Instructional Services	Canvas Learning	A learning management system that organizes assignments, progress, and instructional materials to support student learning and teacher communication.	No - School Official Exception	6/9/2025
Other Services	Career and tech unit and/or college/university	Dual credit	No - School Official Exception	10/12/2015
Other Services	Central Regional Education Association	CREA provides services as a regional cooperative. BPS accesses some professional development student programming including extended day programming for students in several schools.	No - School Official Exception	10/9/2023
Other Services	CHI St. Alexius Medical Center	Educational Service at Partial Hospitalization and Inpatient Psychiatric Services	No - School Official Exception	10/12/2015
Other Services	Child Plus	Head Start Child and Family Information.	No - FERPA Exception	10/14/2019
Other Services	Child Welfare Agencies	Assist CWAs in supporting students currently in foster care.	No - FERPA Exception	10/12/2015

Other Services	Classlink	Rostering solution for single sign-on (SOS) for digital products.	No - School Official Exception	9/25/2023
Other Services	Clever	Single Sign-on (SSO) gateway and rosters for products like NWEA MAP and other approved vendors.	No - School Official Exception	10/12/2015
Assessment	cmERDC	Data Warehouse and Student Plans. This service is used by BPS administrators and teachers to align instructional services to student needs. cmERDC hosts both of these applications outside of BPS in their secure data center.	No - School Official Exception	12/9/2019
Online Instructional Services	Code.org	Computer science programming/coding program.	No - School Official Exception	10/26/2015
Assessment	College Board (PSAT, SAT)	College entrance assessments - students self-selected participation.	Yes - Consent provided as part of the registration process.	10/12/2015
Other Services	College recruiters	Education and recruitment services for students.	No, if directory information only—check for opt out requests; Yes if PII is requested	10/12/2015
Online Instructional Services	Common Lit	Common Lit provides a variety of leveled, academically and culturally responsive resources for students of all learning and socio-economic backgrounds. This research-based resource has specially-designed, scaffolded resources and materials that help struggling, proficient, and advanced-proficient learners/readers. There is a translate feature that is helpful for some EL students	No - School Official Exception	9/14/2020
Required by law	Comptroller General of U.S.	For audit or evaluation of federal or state supported education programs or for the enforcement of or compliance with federal legal requirements that relate to those programs	No - FERPA Exception	10/12/2015
Other Services	Computer Logic Group	Solution that integrates with PowerSchool to build online and printable standards-based progress reports.	No - School Official Exception	2/27/2017

Online Therapeutic Assessment and Intervention	Connect Speech Therapy PLLC	Connect Speech Therapy, PLLC provides services that align with the scope and practice for Speech and Language Pathology. Services to include direct and indirect activities as they pertain to eligible students on caseload and in accordance with the Individual Education Plan (IEP) which will define the type and frequency of service that each student is to receive.	No - FERPA Exception	8/14/2023
Online Instructional Services	CS First	Computer science and programming/coding program	No - FERPA Exception	4/26/2021
Other Services	Dakota Boys and Girls Ranch	Academic Support	No - School Official Exception	10/12/2015
Other Services	Dakota Children's Advocacy Center	Mental health service provider collaborating with BPS.	No - FERPA Exception	12/14/2020
Other Services	DeCoteau Trauma Informed Care & Practice PLLC	Service provided for student Psych services	No - School Official Exception	10/12/2015
Online Instructional Services	Destiny	Library catalog systems and it contains some student directory information as well as data on student circulation and fines. Currently hosted locally.	No - School Official Exception	10/12/2015
Online Instructional Services	Devereux e-DECA	Head Start Instructional Program.	No - FERPA Exception	11/27/2017
Required by law	District Financial Statement Auditor	For audit or evaluation of federal or state supported education programs or for the enforcement of or compliance with federal legal requirements that relate to those programs	No - School Official Exception	10/26/2020
Online Instructional Services	DreamBox	DreamBox is an adaptive, comprehensive, supplemental digital math resource that promotes conceptual understanding, reasoning skills and problem solving. It's used for supplemental, enrichment, and intervention for all students K-8 and select 9-12 students. DreamBox helps teachers understand how learners are thinking, responding to, and understanding math so they can better support students' progress	No - School Official Exception	6/26/2017

		while meeting goals and state standards through grade level 8.		
Other Services	Dropbox Sign	Secure signature capturing and document sending.	No - School Official Exception	6/26/2023
Online Instructional Services	EBSCO Databases	EBSCO is a database family with a variety of subscriptions used by BPS students and staff for research.	No - School Official Exception	9/14/2020
Online Instructional Services	Edgenuity	Online content provider for identified students in K-12.	No - School Official Exception	1/13/2025
Online Instructional Services	EduTech	State provided K-12 educational technology services, support, and training.	No - School Official Exception	10/12/2015
Online Instructional Services	EduTyping	Keyboarding program used for keyboard fluency.	No - School Official Exception	10/12/2015
Online Instructional Services	Essential Elements Interactive	Essential Elements Interactive (EEI) provides on online environment for music students to access assessments, method books, supplemental materials, and teacher added materials. EEI allows students to work at their own pace and for teachers to modify teaching to where students need to improve. Specific feedback can be provided to students digitally.	No - School Official Exception	9/14/2020
Other Services	FHI 360	The project aims to reduce the number of students involved in the juvenile justice system, which is achieved from improvement in the student's academic skills and behavior.	No - School Official Exception	10/9/2023
Other Services	Frontline Asset Management	Inventory and tracking for student 1:1 devices.	No - FERPA Exception	3/8/2021
Other Services	Frontline Location Analytics	Data Visualization Software	No - FERPA Exception	10/22/2018
Online Instructional Services	Gale Databases	Gale is a database family with a variety of subscriptions used by BPS students and staff for research.	No - School Official Exception	9/14/2020
Online Instructional Services	Garbanzo	Tool for integrating literacy into Spanish classes through lessons in storytelling	No - School Official Exception	5/13/2024
Online Instructional Services	Great Minds InSync	Students are able to login and access instructional videos that support our primary literacy resource.	No - School Official Exception	09/22/2025

Online Instructional Services	Google Applications for Education (GAFE)	Google Education core services as part of GAFE including Drive (Docs, Sheets, Presentation, etc.), Google Classroom, Google Sites, Google Meet, mail (bpsapps.org), and calendars. These are the core student and teacher collaboration tools for classroom instruction including research, writing, presentations, assessments, feedback, participation, attendance, and communication.	No - School Official Exception	10/12/2015
Online Instructional Services	Google Maps	Online map and geography tool for use in a variety of course for student skill development and presentation.	No - School Official Exception	10/12/2015
Other Services	Harlow's Bus Company	Student transportation	No - School Official Exception	10/12/2015
Other Services	Head Start	For enrollment purposes and providing special education services	No - School Official Exception	10/12/2015
Other Services	Healthcare Providers	Health and safety emergencies; screening and developing IEPs, 504 Plans, and behavioral intervention plans; providing medication.	No, in the event of an emergency; Yes, for all other reason	10/12/2015
Online Instructional Services	Hearbuilder	This is an intervention program used in Special Education and Title I. The program was previously called Earobics and was put on E-8 in October of 2015. The new version is now called Hearbuilder.	No - School Official Exception	6/12/2017
Other Services	Horizon Software	Payment processing (MyPaymentsPlus).	No - School Official Exception	2/27/2023
Online Instructional Services	Houghton, Mifflin, Harcourt (FasttMath, Fraction Nation, Read 180, System 44)	Hosted Locally: Math fact fluency, fraction fluency, and reading intervention services.	No - School Official Exception	10/12/2015
Other Services	Jostens	Graduation memorabilia and Josten's Yearbook for online yearbook access.	No - School Official Exception	9/13/2021
Online Instuctional Services	Khan Academy	Approved for 6-12 with explicit parent permission secured by the teachers, PLC or building. Approved K-5 for specialists and general education use ONLY on a specifically identified	Yes - Parent Permission must be obtained	9/14/2020

		student by student case and with explicit parent permission. It is NOT approved as a		
Online Instructional Servics	Khanmigo	An AI-powered tutoring assistant within Khan Academy that helps students build understanding through guided questions and feedback.	No - School Official Exception	6/9/2025
Other Services	Knewton Enterprise	Website service that provides an online adaptive learning platform used by a variety of textbook vendors.	No - School Official Exception	9/26/2016
Other Services	Law enforcement	Health and safety emergencies; school resource officers	No - FERPA Exception	10/12/2015
Online Instructional Services	Learning A-Z	Online leveled readers for application, reinforcement and practice. Teachers are able to give individual feedback to the student through the RAZkids part of this online resource. See criteria for use.	No - School Official Exception	10/12/2015
Assessment	Learning Express	Testing Prep site, students create logins using email address and first name.	No - FERPA Exception	9/12/2016
Online Instructional Services	Lego Education	A digital robotics tool to create and code.	No - School Official Exception	3/9/2020
