

Empowering young women since 1927

TEPEYAC TIMES

OPPORTUNITY. UNITY. SERVICE. EXCELLENCE

The Class of 2025 closed out their time at Tepeyac with impressive results. Together, they earned more than \$9.3 million in college scholarships, including 20 full-tuition awards. 100% of graduates were accepted to college, with 65% percent of students at four-year schools, 32% at two-year colleges, and 3% entering trade or technical programs.

Among this standout class is Jocelyn Serment, a student who made the most of every opportunity. Jocelyn served as Student Council President, led as captain of both the volleyball and soccer teams, played basketball, and took on leadership roles including Freshman Retreat leader.

This fall, she'll attend the University of Illinois Urbana-Champaign, where she's been accepted into the Gies College of Business.

Students like Jocelyn—and the numbers behind this year's success—are a clear reminder of what's possible when young women are given the tools, support, and encouragement to aim high.

TEPEYAC ATHLETICS ON THE RISE

Growth, Leadership, and Momentum

This past school year, Our Lady of Tepeyac sports teams saw record levels of student participation and strong support from families and the broader school community. Tepeyac athletes displayed not only skill and determination, but also leadership and school spirit on and off the field.

Our Lady of Tepeyac is thrilled to welcome Abi Camacho '13 as our new Athletic Director at Our Lady of Tepeyac High School. A proud alumna and former Tepeyac athlete herself, Ms. Camacho has faithfully served as Assistant Athletic Director and volleyball, basketball and soccer coach. Her passion for sports, dedication to student-athletes, and deep commitment to the mission of Tepeyac make her the perfect leader to guide our growing athletic program into its next chapter.

Tepeyac is especially proud to share that Coach Miguel Patiño was named Catholic League Softball Coach of the Year—a testament to the talent and commitment of our coaching staff and players. Under Ms. Camacho's leadership as well as the leadership of our committed coaches, Tepeyac looks forward to expanding opportunities for our young women to continue to thrive through athletics.

Athletics Raffle

Strong Girls. Stronger Futures.

At Our Lady of Tepeyac High School, athletics isn't just about winning games—it's about building confidence, resilience, and leadership in young women. Your support gives our student-athletes access to equipment, uniforms, transportation, and the chance to compete with pride.

LEADING WITH NUMBERS AND HEART:

Miriam Gama, Class of 2021

Miriam Gama, Class of 2021, recently earned her bachelor's degree in Mathematical Sciences from DePaul University. She is currently seeking a teaching position and hopes to begin in the fall—all while pursuing a master's degree.

At Tepeyac, Miriam stood out as both a scholar and a leader. She was active in National Honor Society, Book Club, Basketball, and service organizations like Casa Domitila and Pilsen Alliance. Known for her patience and generosity, she often tutored her classmates in math, and was always ready to help others succeed.

Throughout college, Miriam stayed connected to Tepeyac—regularly returning to support math teachers and tutor students. Her passion for education, nurtured at Tepeyac, only deepened as she grew into a confident, compassionate leader.

Now, as she looks forward to beginning her teaching journey, Miriam embodies what it means to be a Tepeyac graduate: one rooted in service, driven by purpose, and ready to lead with both intellect and heart.

Tepeyac Seniors Attend Exelon Foundation STEM Academy

This summer, **seniors Rashel Sanchez and Antigone Brunner** were selected to attend the Exelon Foundation STEM Academy at DePaul University—a week-long residential program for young women interested in science, technology, energy, and sustainability. They joined students from across the region to explore real-world STEM challenges through hands-on workshops, industry field trips, and innovation projects. Rashel and Antigone also connected with women leaders in STEM and participated in leadership training to prepare for college and beyond. We're so proud of them for representing Tepeyac at this exciting opportunity!

Rising Stars: The Class of 2029

We're thrilled to welcome the Class of 2029 to Our Lady of Tepeyac High School! As they begin their high school journey this fall, these young women join a proud tradition of all-girls Catholic education—one that empowers students to grow in confidence, leadership, and purpose.
