Principals' Blurb

October is **National Bullying Prevention Month**, and at Northland Elementary, we're dedicated to fostering a safe and respectful learning environment. Through our **Second Step** curriculum, students in kindergarten through 5th grade will learn key skills to prevent bullying, including how to:

- **Recognize** when bullying is happening.
- **Report** it to a trusted adult.
- **Refuse** to let bullying happen.
- **Be an upstander** who helps find solutions.

We'll also host our annual **Kindness Run**, where students will create posters with encouraging words to spread positivity throughout the school.
