Food Distribution to Those in Need:

Drive Through, Monday 8:30-10:30 AM or

In Person, Monday 1-5 PM

at Grange #181, 931 Main Rd., Westport, MA

The Westport Food Pantry is available to residents of Westport and the surrounding communities who may be in need of basic food due to food insecurity or economic hardship.

* The drive through pick up distribution takes place outside rain or shine. Cars cue up in the Westport Quaker Meeting House driveway across from Grange #181. In Person shoppers enter through our entry on the left hand side of the building.
* Each family receives a bag of non-perishable staples, a carton of eggs and loaf of bread. When possible we also offer a choice of frozen meat and fresh vegetables.
* The Food Pantry welcomes food contributions, brown paper grocery bags, and heavy weight plastic bags. We also collect Lees receipts and receive 1% of the total receipts we submit as part of Lees Community Partnership Program. There's a brown donation bin and mailbox for Lees' receipts in the driveway which we check daily. Financial donations are always appreciated as we rely on contributions to feed those in need.

The Westport Food Pantry is a 501(c)3 non-profit organization.
