

# HOW TO: Access SVSD Tools From Home

## STUDENT INSTRUCTIONS

1. Go to **launchpad.classlink.com/svsd410** to access **ClassLink** (or find ClassLink using the SVSD website).
2. Depending on the information provided to you by your teacher, you will sign in with either a QuickCard or your SVSD username and password.

➔ If you know your Student ID and Password, click **Sign Into ClassLink** and enter your SVSD username @students.svsd410.org. Click **Next**. Enter your password when prompted. Click **Sign In**.

➔ If your teacher provided you with a **QuickCard**, click **Sign in with QuickCard** and aim your QuickCard at your device's camera to sign in.

LOGIN USING QUICKCARD

3. Once signed in, you can find the tool you'd like to use! You will automatically be logged into your tool when you click on it. Happy Learning!

## NOTE

In order for students to access their SVSD tools, they'll need to log in via ClassLink. Trying to log in from a website (for example, Lexia.com) will not work.
