

VANTAGE POINT - CROSSROADS QUARTER 1 NEWSLETTER

Happy beginning of the fall season Vantage Point and Crossroads families!

As we are making our way through the end of our first quarter, I wanted to share some information and upcoming events.

Conferences (Middle and High School)

We will be holding conferences on October 2nd, 2025 from 4:00-7:00. Families will be able to meet with teachers, take the parent survey, and explore some of our resources.

Vantage Point families can sign up [here](#).
Crossroads families can sign up [here](#).

Opportunity Day (High School)

At the end of each quarter, Vantage Point will hold an Opportunity Day. Our first Opportunity Day is on Friday, October 10th. Students can sign up to come in for the day, while others might be invited in. **This is not a mandatory school day for students unless parents or guardians are otherwise notified.**

Why might a student come to Opportunity Day? Students who are on academic watch or academic contract will be required to attend. We will also offer clubs, Workkeys testing, MAPs testing, open gym, office hours and other meetings and activities for students. More information will be sent out to families closer to October 10th.

Future Forward Visit (High School)

On Wednesday, October 8th, all high school students will be visiting Future Forward at Washington Square. Ask your student about their permission slip to get it signed! This is a great opportunity for students to explore what our Career and Technical Education programs have to offer as well as get hands-on experience with different career options.

Thanksgiving Baskets Donations at Conferences (Middle and High School)

During conferences this year, families can both sign up for a Thanksgiving Basket as well as donate to our baskets. If you would like to donate, please bring any of the following: *Boxes of stuffing, boxed potatoes, canned corn, canned green beans, canned fruit, brownie mix, Jell-o, turkey gravy in jars, macaroni and cheese, biscuit or roll mix, canned cranberries, pumpkin pie filling, pre-baked pie crusts.*

October Break (Middle and High School)

Just a friendly reminder that all students in Adams 12 do not have school on October 13th-17th. Happy October Break!

SAC (Middle and High School)

Are you interested in having a voice at your student's school? Join our School Accountability Committee! We meet four times a year and we'd love to get your input about what we can do better for our community. You can find more information on our website [here](#). Email Principal Alison Helfand at alison.e.helfand@adams12.org if you are interested.

Thank you and have a great fall!
