

My name is Grace DeAngelis. I came to the United States many years ago as a teacher in the Rio Grande School District. I taught for many years in Texas. I decided to come up to Alaska to teach. I met my husband and decided to live in the bush Alaska for almost 16 years. I have one daughter. She keeps me very busy every day.

I love my job of educating kids. I have been teaching for the past 25 years. It brings me happiness when I see the students that I have taught are successful. My life as a teacher is never boring. The students bring laughter and joy in my classroom.

Every year, we go to Oregon to spend our summer.

This is the time I get to relax and do nothing. I love going to the mall and stores. Shopping is my best hobby. I also love to watch movies.
