

Jasper County Primary School

2025-2026

School-Parent Compact

What is a School-Parent Compact?

A compact outlines how parents, school staff, and students share in the responsibility for improved academic achievement.

A compact helps build and develop a partnership that will help children achieve the district aligned goals.

A compact lists specific commitments that the family and school agree on in order to help each child progress in school, thus promoting his/her achievement to high standards.

Jointly Developed

The parents, students, and staff joined together to create this school-parent compact for achievement. Teachers suggested home learning strategies, parents contributed ideas about support needed, and students gave suggestions as to how they could better learn. Families are encouraged to attend annual revision meetings held each year in the spring. Time is spent reviewing the compact and feedback is accepted based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey each year to gather information pertaining to current Title I programs and policies. If you would like to volunteer, participate and/or check-out resources, please attend one of our many Parent Workshops held throughout the school year. You can also contact our school at 706-468-4968 or visit our Parent Resource Center at Jasper County Primary School.

Activities to Build Partnerships

The following actions will be taken in order to promote partnerships at Jasper County Primary:

- Family and community members will be invited to attend and participate in family engagement activities.
- Frequent reports to parents on their child's progress are sent home each semester.
- Family Resource Center available at the school and online resources are available for families.
- Reasonable access to staff, opportunities to volunteer, and participate in their child's class
- Events and activities will be held that encourage family and community participation

Communicating About Student Learning

Jasper County Primary School is committed to working with families in the realization that both of their roles, as equal partners, are paramount in the academic success of the child. Frequent communication between families and teachers will occur through:

Parent-Teacher Conference
Progress Reports and Report Cards
Student work samples
Email, telephone, newsletters,
websites, Infinite Campus Portal,
ClassDojo, and school visits
Parent Flyers
Open House, Curriculum Night &
Performances

Please feel free to contact our school with any questions or suggestions you may have.
706-468-4968

- See our school calendar, website, and social media for a list of events, dates, and times.
- School Governance Meetings will be held that include family and community members.\

Our Goals for Student Achievement

District and School Goals and Focus Areas

- Implement new Department of Education Literacy Standards
- Use Benchmark Advance, to improve student reading skills and GaDOE Math Plans, to improve math skills
- Reduce the percentage of students with 10+ absences

Teachers, Parents, and Students – Together for Success

School/Teacher Responsibilities

-Provide effective instruction in a supportive and effective learning environment to meet the Challenging Academic Standards by providing parents resources and access to materials on a regular basis.

-Schedule Parent-teacher conferences where the compact shall be discussed as the compact relates to child's achievement.

-Provide two-way communication regarding conferences and other events in a variety of ways to communicate effectively, in a language parents and family members can understand.

-Support families in the use of relevant websites that can be used at home for improving math and literacy skills

-Meet with students and families at the beginning of the school year to set student goals which will be included in

Family Responsibilities

-Review your child's progress in the weekly school folder

-Review children's agendas nightly

-Attend parent/teacher conferences and events to review your child's data and progress toward meeting his/her learning goals.

-Ensure that children are at school and on-time daily.

Student Responsibilities

-Come to school prepared for the day.

-Be responsible for sharing information sent home from the school with your parents/guardians.

-Be an active participant in lessons for math and literacy.

-Use the strategies and resources provided to improve success.

-Use approved websites and programs for skill practice, research, and to demonstrate learning in math and literacy.

-Ask for help from teachers, administrators, counselors, or staff members when there is a problem.

-Talk with parents/guardians to assist with the issues.
