Additional Graduation Options in Lieu of Passing the End-of-Course Assessment

Assessment Options	Math	Science	English	Social Studies (Prior to 25-26 SY)
ACT	17	17	17	17
Dual Credit/ Enrollment	C or higher in College Algebra	C or higher in College Biology & corresponding lab	C or higher in College English Comp I	C or higher in College American History II
ASVAB + Industry Certification	ASVAB (PICAT prescreen scores are not allowable) score of 36 **plus** the following: Earn approved Industry Certification specified in the Career Pathway's Assessment Blueprint. (If the blueprint specifies two industry certifications, both must be earned.)			
ACT Work Keys + Industry Certification	WorkKeys Silver Level **plus** the following: Earn approved Industry Certification specified in the Career Pathway's Assessment Blueprint. (If the blueprint specifies two industry certifications, both must be earned.)			

Notes:

- ACT sub-scores resulting from non-college reportable accommodations **can** be used for graduation options, but the scores are non-college reportable.
- ACT sub-scores resulting from Residual ACT Testing **cannot** be used for graduation options.
- This option is available regardless of when the student took the SATP2, PARCC, or MAP/MAAP assessments.
- The college credit option is only applicable if the student is enrolled in high school and college at the same time. Student must meet the dual enrollment/dual credit admissions requirements of the community college partnering with the school district.

Universal Concordance Table

Concordance Table	Scale Score			
Grade in Course	**1049-1048**	**1047-1046**	**1045-1044**	**1043-1042**
A	Pass	Pass	Pass	Pass
B	Pass	Pass	Pass	Fail
C	Pass	Pass	Fail	Fail
D	Pass	Fail	Fail	Fail

Notes:

- The tables provide the final course grade required to use with the scale score obtained on the EOC assessment.
- Students shall be enrolled in school to utilize the concordance table option.
- Effective 2021-2022 School Year

Composite (Combined) Score

Notes:

- Students may utilize an additional graduation option by taking the average of all EOC assessments and achieving a minimal combined score or 1050.
- The student must have four scores (Algebra 1, English 2, Biology, and U.S. History) - students who do not have 4 scores due to a Covid-related waiver for not taking a test in 2019-2020 or for not taking a test in 2020-2021 will not be eligible to use this option
- These four scores added together and divided by 4 must equal 1049.5 or above.
- Students shall be enrolled in school to utilize the composite score option.

Example

Calculate the student's composite (combined) score by determining the average score across all four assessments.

Assessment	Scale
Algebra (EOC)	1039
English II (EOC)	1048
Biology (EOC)	1055
*US History (EOC)	1056

Average Composite (Combined) Score = $\frac{1039+1048+1055+1056}{4} = \frac{4,198}{4} = 1049.5 = 1050$

In the example above, the student can use the Composite Combined Score for Algebra I and English II.

* Beginning School Year 2025-2026 the US History End-of-Course assessment will no longer be administered. Students that do not have scores on all four (4) end-of-course assessments are ineligible to use this option.
