Daily EnCore Schedule

3:10-4:00 – snacks, attendance, student activity time/SEL activities/student tutoring/homework help
4:00 – Report to rotations (changes every 2 weeks)
5:00 – Dismissal- The bus children will be dismissed first and then children who are walking home.
Please note: If there is a change to transportation home, there must be a note or message sent to the school office. Please do not take your child from the school unless an instructor has checked them out. They will only be dismissed to you, the parent or guardian, or person(s) listed on the enrollment form unless there is a note or phone call. School phone #328-3121

What will my child be doing at EnCore After School Program?

- *Drones- Students will learn to fly drones.
 - *Sewing-Students will be taught the basics of sewing and make a project.
 - *Plants-Students will design and produce projects using plants.
 - *Art-This session will give students a chance to work on their creative side. Students will work on projects that are fun, creative, and stimulating
 - *Board games/Drama- In this session, students will learn about drama, act out plays and participate in drama games. Students will learn how to play multiple games and learn strategies to become better players.
 - *Engineering Solutions-Students will use the engineering process to design drones, robotics and Legos.
 - *Cooking-Students will learn to follow recipes to make specific foods.
- Two-week rotations:
Our Family Nights will be each semester and it will be a come and go event and meal will be served. Come and see what your child has been working on.
