

Confused about the Covid-19 Vaccine?

You're not alone!

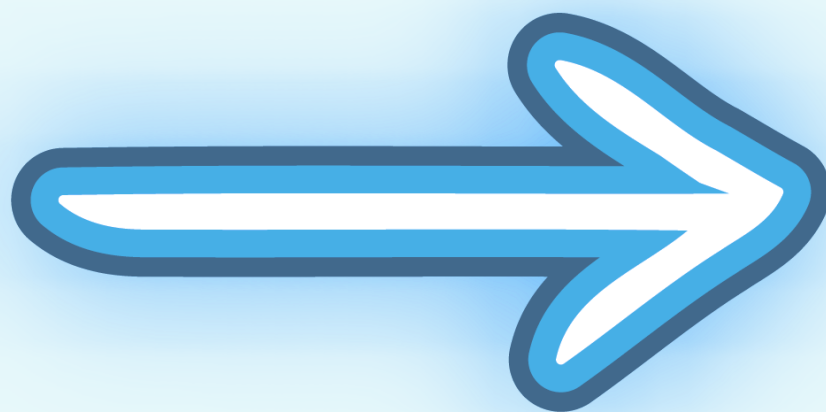

**Let's break down some of
the facts for CT residents!**

Who can get the Covid-19 Vaccine?

Children 6 months - 5 years can go to their pediatrician.

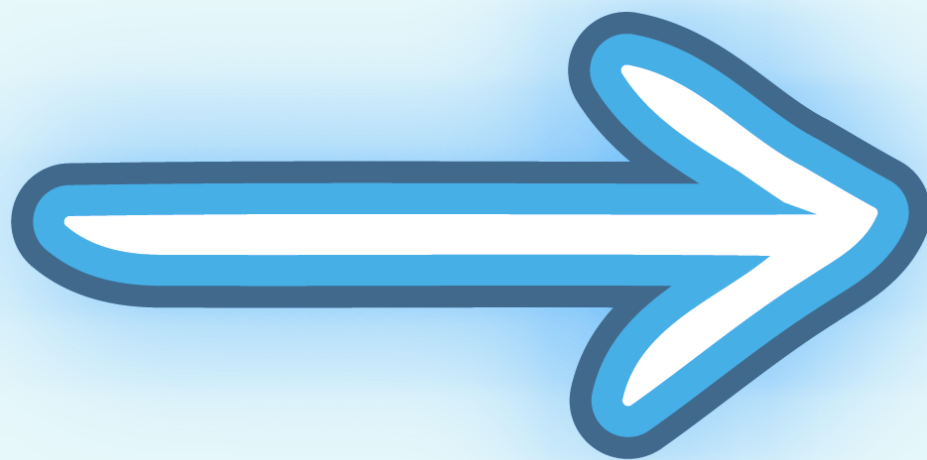

Everyone ages 5 and above can get the Covid-19 vaccine at either a pharmacy or local health care provider.

**Will my insurance cover
my vaccine?**

**Insurance coverage
remains the same
under state-regulated
plans!**

**For all other plans,
contact your insurance
provider for
clarification.**

**Will I need a prescription
for the Covid-19 vaccine?**

**As of right now, you do
not need a prescription
to get a Covid-19
vaccine.**

**This applies to all
providers in CT.**
