School-Parent Compact

*Every student matters...
every moment counts.*

What is a School-Parent Compact?

A School-Parent Compact is a written agreement among all members of a school learning community. It clearly defines the role of each member as we strive to provide the most productive, quality education possible for all students. The school learning community consists of teachers and other school personnel, parents, and students.

As active partners in the educational process of our students, we faithfully commit, and adhere to, the stated responsibilities within this compact.

Jointly Developed

Coopertown Middle's School-Parent Compact was written by the Title I School-Wide Committee with input from stakeholders through School Improvement Plan development, surveys, and parent meetings. Parents are invited to make suggestions and revisions to the compact at our Annual Title I Parent Meeting. A copy of this compact is sent home with each student and a copy is accessible on our school website.

Building Partnerships

We firmly believe that a strong partnership between the school and the home is the key component for student success. It is of utmost importance that we work together to provide a safe, structured, and supportive environment for learning to take place at school and at home.
