- 26-28 Thanksgiving Recess (No School)

For the complete District calendar please visit: [www.remsencsd.org](http://www.remsencsd.org)

## MESSAGE FROM THE SUPERINTENDENT

Dear Remsen Community,

I hope that everyone is having a fantastic summer, squeezing as much sunlight as possible out of every day. We are fortunate to live in such a beautiful area with hard-working people and a wonderful school district that provides our entire community with a great sense of pride and quality student learning, service, and preparation.

Speaking of our beautiful campus, the Capital Improvement Project work has made for an exciting, busy summer. There is a lot happening and a large amount of project activity will continue throughout the school year and into next summer. Long-term progress often comes at the expense of short-term inconvenience and challenges. Due to the extensive drainage work on the varsity soccer field, we will not be able to use the field this season. Thanks to our neighboring districts, Holland Patent and Adirondack, and the work of our Athletic Director, our varsity soccer teams should be set with locations to play for all of their "home" games this fall. The elementary windows project that will take place throughout the school year will also teach students about flexibility and exciting change as several classrooms will be taken over at a time for window replacements, floor demo, and floor replacement. Please be sure to read more about our recent Capital Improvement Project updates in this newsletter.

For students, September offers an opportunity to start fresh with a clean slate at a starting line packed with possibilities and potential. The start of this school year will be very different for students in grades 7-12 as their smart devices/phones will be required to stay in their lockers from the start of the school

Continued on Pg. 2

*Remsen Central School District forever aspires to be a unique, distinguished, welcoming learning community that fosters a growth mindset and essential traits of great character. RCS will remain dedicated to cultivating and supporting each student's individual abilities and interests as they confidently work to realize their full potential to lead happy, healthy, successful lives.*  
*All Remsen students will Soar to Success.*

## IN THIS ISSUE

- 3 Capital Improvement Project Updates
- 8 Staff Spotlight
- 12-13 New Team Members
- 24-25 Summer Enrichment

day through and until dismissal at 2:34 PM. As of this reading communication about Remsen's policy has been sent home via Parentsquare and is also available online at [www.remsencsd.org/our-district/district-documents/student-use-of-personal-internet-enabled-devices](http://www.remsencsd.org/our-district/district-documents/student-use-of-personal-internet-enabled-devices). It will certainly be an adjustment for many students, but we are confident that after a few weeks it will become the new norm and they will be able to focus more of their attention and energy on classroom learning and personal interactions during their classes. We welcome and encourage our Remsen students to try new things, challenge themselves in rigorous course work, join a new club or athletic team, and be involved. The diverse range of quality learning experiences and student opportunities paired with a community that recognizes and celebrates hard work, kindness, and the importance of a successful education is what makes Remsen the place to be.

New this year and moving forward, we are very excited to announce that all seniors will be learning Dave Ramsey's Foundations in Personal Finance high school curriculum as part of their required Economics course. In addition to the curriculum, each senior will be given their own Foundations In Personal Finance workbook that they will use throughout the year and then be able to take with them when they graduate to use as a reference and a guide for the rest of their lives. We have heard from many parents, students, and community members regarding the importance of our high school students learning and understanding the basics of personal finance. The addition of this Foundations curriculum will all but ensure our seniors are financially literate and ready to confidently manage their own personal finances once they graduate.

We have an exciting new group of staff members that we welcome to our five-star service team for September and thank them for choosing Remsen. Please be sure to read about them in this newsletter! We also congratulate and thank our retirees, Mr. Scott Jones and Mrs. Mary Jane Keener and wish them all the best as they set out on their next adventure.

Our school and the Remsen community remain dedicated to cultivating and supporting each student's individual abilities and interests as they confidently work to realize their full potential to lead happy, healthy, successful lives. Our school would not be what it is today without your support. Together, we can motivate and inspire students and adults to be remarkable people and to do great things. We look forward to seeing everyone soon and we certainly can't wait to see our students! As always, we will do what it takes to ensure that Remsen Central School continues to *Soar to Success!*

It is an honor and a privilege to be your Superintendent. Here's to an extraordinary 2025-2026 school year ahead!

Sincerely,

Timothy Jenny  
Superintendent

*Thank you!*

Thank you to the Remsen Alumni Association for generously donating two large (8' x 10') backdrop banners and two 8' table clothes. These items look wonderful and will be excellent additions to our many upcoming ceremonies, celebrations, and events. You can check these items out at our Welcome Back to School Night on Wednesday, September 3rd.

Remsen Alumni Association

# CAPITAL IMPROVEMENT PROJECT UPDATES

It has been a busy summer with the Capital Improvement Project work underway. The high school parking lot and south driveway paving, along with associated storm water drain structure work is scheduled to be complete by September. The remaining driveway paving up to and including the elementary parking lot is scheduled for next summer.

Jr./Sr. High School Parking Lot

Ramp to Parking Lot

South Driveway

Drainage Work

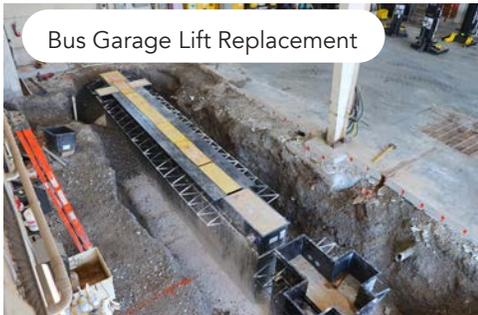

Elementary Loading Dock

Elementary Music Room Floor

HVAC work in the high school nurses office, masonry repairs at the high school, bus lift floor demo work and installation, asbestos removal and new floor installation in the elementary music room/cafeteria stage and the rebuilding of the loading dock at the elementary school should

all be finishing up as of this reading. The varsity soccer field drainage work should also be well underway by the reading of this newsletter. Throughout the winter and into next summer the

Bus Garage Lift Replacement

elementary windows will be replaced, all elementary classrooms will get new floors, additional HVAC and plumbing work, an updated fire alarm system at the bus garage, replacement of high school gym and stage lights and sound with new and functional control systems, the gym floor will be completely restored and repainted, all of the stair treads will be replaced at the high school, replacement of various doors at both buildings, and masonry repairs will continue throughout.

All of this needed work serves to ensure that we are able to leave our children, for generations to come, with an even better school than we have today; safe, efficient, well-maintained, with a great sense of Remsen Community pride and appreciation. Thank you for supporting the continuous maintenance and upkeep of Remsen Central. We could not do it without you!

Dear Remsen Families,

I hope you all had a restful, joyful summer and are ready for another exciting year at Remsen Jr./Sr. High School!

As we begin this new school year, I'm inspired by the possibilities for growth, learning, and progress. I look forward to seeing all of our students back in the halls, bringing with them the energy and enthusiasm that make our school so special.

A heartfelt welcome to our 7th-grade students—you're now part of a community that will support you, challenge you, and grow with you. To the Class of 2026—this is your year! I'm so proud of how far you've come, and I can't wait to celebrate all the memories and milestones that lie ahead. Let's make your senior year the best yet.

At Remsen, we believe that learning is a lifelong journey—and that each day brings an opportunity to grow. I encourage each of us to embrace our core value of **"Always Strive to Improve."** Whether it's mastering a new skill in the classroom, strengthening relationships with others, or becoming more involved in school activities, progress happens when we consistently aim to do just a little better than the day before. Improvement isn't about perfection; it's about effort, reflection, and resilience. We're committed to creating a culture where students feel supported in setting goals and learning from challenges. Together—with your partnership—we will help every student move forward with purpose, confidence, and proud of their growth.

We will continue to honor traditions that celebrate the amazing things our students do each day. Some of the traditions we will continue to have include: academic celebrations, ram ticket drawings, school dances, and pep rallies. In addition, we're always looking for new and better ways to help students feel connected and proud of their school. Student voice matters—so if you have ideas, we want to hear them!

Make sure to mark your calendars for Back-to-School Night on September 3, 2025, from 5:30-6:30. You will have the chance to meet teachers and staff, tour the building, practice using lockers, learn about athletics, clubs, and student supports, and reconnect with classmates and friends.

Let's make this a year defined by kindness, filled with school pride, and with a daily commitment to becoming even better than we were yesterday. I look forward to working with you to ensure every student continues to **Soar to Success!**

Sincerely,

## NYS Seal of Biliteracy

For the 2024-2025 school year, Remsen Jr./Sr. High School was able to award six of our graduating seniors with the NYSED Seal of Biliteracy.

To earn this award, students are required to complete challenging coursework, in both English and one or more world languages.

Earning the Seal of Biliteracy is an impressive achievement. Remsen Central School District is proud of these students for working hard to earn this achievement.

# Sixth Grade Graduation

held on June 25, 2025

*Congratulations*  
to the class of 2031

Dear Remsen Families,

I hope that this newsletter finds you enjoying time with family and friends. Making memories during the summer months when things have slowed down is so valuable. It's hard to believe but the 2025-2026 school year is quickly approaching. A new school year brings excitement, wonder, and sometimes a bit of anxiety for our students. Please know that we are here to support your children along their journey in any way possible. Our goal is to ensure that Remsen Central School is a place that your student is excited to be and feels comfortable, safe, and cared about. As your Elementary Principal the safety and security of our students will always be my top priority.

The summer has been busy in the elementary school. Our custodial/maintenance staff have been hard at work cleaning and organizing to make our school beautiful and inviting for our students. We have had some construction projects being completed as well.

Students attended many summer camps including Rams Academy, Brick by Brick Lego Camp, Camp Read-a-lot, STEAM Camp, Kindergarten Kickstart, Crafty Campers, and Hike a Mountain. These camps provided students with exciting learning opportunities and physical activity. There were many smiling faces throughout the building.

During the 2025-2026 school year there will be many opportunities for families to come to school to watch their students showcase skills they have been working on. We will have several concerts, Evening of Excellence events, and a Drama Club presentation to name a few. Please be sure to watch for updates on events that will be occurring throughout the school year. We hope you will be able to join us to show your support for our elementary students.

The first day of school for students this year will be Thursday, September 4, 2025. Our Welcome Back to School Night is scheduled for Wednesday, September 3, 2025, at 4:30pm. Parents and students will have the opportunity to meet the teacher and visit the classroom. Students are encouraged to bring their supplies with them to place in the classroom. There will be several Community Tables set up with information on various clubs and organizations for our students. Please plan to join us for this wonderful night!

As I begin my second year as your Remsen Elementary Principal please know that I am here for you and your child at all times. If there is something you need or if you have a question please reach out to me at any time. At Remsen Central School we are more than just a school, we are family.

Our commitment to providing a nurturing environment where every student feels valued, challenged, cared about, and inspired to be their best is a top priority. Our goal is to ensure that every student can "**Soar to Success!**"

Sincerely,

*Jody Lamphere*

# ANNUAL NOTICES/ DISTRICT INFORMATION

## **PARENTS BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY**

Pursuant to Education Law section 2-d, the Remsen Central School District is now required to publish on the district website a parents bill of rights for data privacy and security and to include such information with every contract entered into with a third party contractor where the third party contractor receives student data or teacher or principal data.

To view the Remsen Central School District's Parents Bill of Rights for Data Privacy and Security, please visit [www.remsencsd.org](http://www.remsencsd.org). It can be found in the For Parents section under Annual Notices.

---

## **BREACH OR UNAUTHORIZED RELEASE OF STUDENT DATA COMPLAINTS**

The Remsen Central School District is dedicated to the protection of student data and to maintaining data security and privacy across the district. If you believe that a breach or unauthorized disclosure of student personally identifiable information has occurred, please complete the complaint form that may be found on our web page and submit it in person to our Data Protection Officer, Mr. Gary Winghart. Any parent, eligible student (students who are at least 18 years of age or attending a postsecondary institution at any age), principal, teacher or employee of an educational agency may file a complaint. A complaint can also be submitted to the New York State Chief Privacy Officer using the online form.

---

## **EVERY STUDENT SUCCEEDS ACT (ESSA) PARENT DASHBOARD**

The New York State Education Department (NYSED) developed the Parent Dashboard to increase transparency and make information about school performance and other school-level data easier for parents and the public to access. The Parent Dashboard is part of New York's Every Student Succeeds Act (ESSA) plan, which emphasizes equity in education for all students and expands measures of school accountability and student success. The Parent Dashboard provides parents with information about their child's school and is available in addition to the New York State School Report Card on NYSED's public data site. The Parent Dashboard offers information on all public schools including charter schools and can be found on the front of our Remsen Central School District webpage at [www.remsencsd.org](http://www.remsencsd.org). Information may also be found at [www.nysed.gov/essa/information-parents](http://www.nysed.gov/essa/information-parents).

## **STUDENT PRIVACY FERPA NOTICE**

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords parents or "eligible students" (students who are over 18 years of age or enter a postsecondary educational institution) certain rights with respect to the student's education records. Those rights include:

- The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading or an invasion of the student's privacy rights.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to know that the District has designated the following information as directory information: student's name, parent's name, address, date and place of birth, telephone number, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational agency attended by student, photograph, and video images of students engaged in routine activities.
- The right to file a complaint with the following office if you believe the District has violated your FERPA rights: Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Additionally, please be aware that:

- It is the District's policy to disclose education records without consent to officials of another school district in which a student seeks or intends to enroll, and;
- The District uses video surveillance cameras on school property and in school vehicles to maintain the physical security and safety of the campus.

To view the full Student Privacy FERPA Notice, please visit [www.remsencsd.org](http://www.remsencsd.org). It can be found in the Our District section under Board of Education, then District Policies

THE REMSEN CENTRAL SCHOOL DISTRICT IS CURRENTLY ACCEPTING APPLICATIONS FOR

**Substitute Teachers**

**EAT FOR FREE\***

DURING THE 2025-2026 SCHOOL YEAR

\*Under the Community Eligibility Provision

# ANNUAL TITLE I PARENT INFORMATION AND MEETING NOTICE

The Remsen Elementary School is a qualifying school for Federal Title I grant funding and receives Title I grant funding each year. At Remsen, the Title I grant funds are used to provide Elementary Reading Intervention student services and Speech and Hearing student services.

Our Reading Intervention Specialist works with students in grades K-6 to provide reading support and academic intervention. Our Speech and Hearing Teacher provides our students with speech and hearing services for students that require supplemental support.

The goal of Title I funding is to help children succeed in regular district programs, attain grade level proficiency, and improve achievement in basic and advanced skills. As a Title I school, we are fortunate to have Title I grant funding to help support these services for our students. We encourage all parents to be active participants in the education of their children so that we may work together in helping our children achieve high academic standards. Please always feel welcome to ask questions, make suggestions, and provide input on our programs. Our Welcome Back Night, as well as all the many family and student activities and events throughout the school year, aim to encourage all parents to be active in their child's learning, growth, and success at RCS. For more information, our Parent and Family Engagement Plan may be found at <https://web2.moboces.org/policies/remsen/1200.2%20Parent%20and%20Family%20Engagement%20Plan.pdf>

On Wednesday, September 3, 2025 we will hold our Annual Title I Parent Information Meeting in tandem with our Welcome Back to School Night. Our administrators will be available to discuss our programs, answer questions and hear your feedback throughout the evening.

As a school that receives Title I money, you have the right to request and receive the following information regarding the following credentials of the professionals providing educational services to your children:

- Whether your child's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether your child's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- Whether your child's teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you have any questions, suggestions, or input pertaining to the Title I program at Remsen, please do not hesitate to reach out to Mr. Jenny, Superintendent, at any time throughout the school year at our many events or by phone at 315-205-4300 or email [tjenny@remsenclsd.org](mailto:tjenny@remsenclsd.org). Thank you!

## Historic 100th Annual FFA New York Convention

Several of our Remsen FFA members attended the historic 100th New York FFA Convention in Syracuse, NY on May 7-9th.

Trent Jenny showcased his hard work in the Agriscience Fair, earning 2nd place. Congratulations, Trent!

Molly Southwick, Michael Nelson, and Riley Horn represented Remsen FFA as official delegates. They took part in the business session, contributed to important discussions, and helped elect the new District President.

It was an inspiring experience celebrating 100 years of FFA in New York, and we're so proud of these students for representing Remsen with leadership and excellence!

# Welcome New RCS Team Members

**Mr. Crossley**

*Elementary Physical Education Teacher*

Mr. Crossley is excited to join the Remsen team as the new Elementary Physical Education teacher! He has a Master of Science in Health and Physical Education from Utica University and is passionate about helping students build confidence, stay active, and have fun through movement and teamwork.

Mr. Crossley's goal is to create a positive, encouraging environment where every student feels successful and excited to participate. He wants PE to be a highlight of each student's day.

Before teaching, he was a collegiate baseball player for five years, which deepened his love for sports and shaped his approach to leadership and teamwork. Over the past two years, Mr. Crossley has coached youth baseball and soccer, and is looking forward to continuing that work by helping young athletes develop their skills, confidence, and love for the game.

Outside of school, Mr. Crossley enjoys golf, fishing, and spending time with his family. He's really looking forward to a great year ahead and to getting to know the Remsen CSD community!

**Ms. Hummel**

*Jr./Sr. High Mathematics Teacher*

Remsen Central School District is excited to welcome Ms. Tayah Hummel to our high school math department! A proud graduate of Remsen, Ms. Hummel is thrilled to return to her hometown and give back to the community that shaped her.

For the past three years, Ms. Hummel has taught at West Canada Valley Central School District, where she gained valuable experience and further developed her passion for teaching math at the secondary level.

After graduating from Remsen, she attended Mohawk Valley Community College and went on to complete her bachelor's degree at Utica University. She is currently working toward her master's degree at the University at Albany.

While in school, Ms. Hummel played several years of soccer and was an avid figure skater. Outside the classroom, she enjoys outdoor adventures like hiking, traveling, snowboarding, camping, and riding snowmobiles; especially when shared with her family and friends, who mean the world to her. When she's not teaching, you'll likely find her in the barn, where she enjoys training horses and giving horseback riding lessons. Her lifelong love for animals, especially horses, continues to be a big part of her life.

We're excited to have Ms. Hummel on the team and can't wait for students to learn and grow in her classroom!

**Mr. Lamphere**

*Jr./Sr. High English Teacher*

Mr. Lamphere will be joining the team as our new English 7-8 teacher here at Remsen. Prior to coming to Remsen, Mr. Lamphere taught English 8 at West Canada Valley and spent three years as a substitute teacher at Dolgeville Central School.

A Utica University graduate, and graduate of Poland Central Schools, Mr. Lamphere has lived his entire life in the local area, and is looking forward to dedicating his teaching to Remsen Central School!

**Mr. Linkford**

*School Bus Driver*

Mr. Linkford has been a school bus driver for the last 15 years. He is a NY state certified examiner and school bus driver instructor. Developing relationships with students, parents and staff while safely transporting them gives him great pleasure and satisfaction.

Mr. Linkford is excited to join the Remsen School community and is looking forward to this school year. He grew up in the Utica area and has lived in the Remsen area for the last 29 years. Mr. Linkford grew up loving sports and music. Now his favorite pastime is getting outdoors and taking photographs of nature which include butterflies, birds, landscapes, lightning and astrophotography.

## Ms. Salerno

*School Bus Driver/ Elementary Classroom Aide*

Ms. Salerno will be joining the Remsen team as a school bus driver and classroom aide. She comes to Remsen with 12 years of experience as a school bus driver with the Poland Central School District. Ms. Salerno grew up around trucks because her father owned his own trucking company. Prior to driving school bus, Ms. Salerno has several years of experience as a truck driver and also taught at SAGE CDL truck driver training school in Rome, NY.

When she's not working she enjoys spending time outdoors on the water whether it is swimming, boating or just hanging on the beach. She also enjoys traveling, cooking and spending time with my family, friends, and her pets. She is very excited and is looking forward to joining the team and starting a new school year at Remsen Central School!

## Mrs. Ultsch

*Elementary School Nurse*

Mrs. Ultsch is excited to be joining Remsen Elementary as the school nurse. She has been in the healthcare field for over 20 years and is looking forward to bringing her experience to the Remsen School community.

Mrs. Ultsch and her husband have three wonderful children- Chase, Reagan and Liam- and two golden retriever's, Tupper and Arlo. In her free time, she loves being outdoors and staying active through running, skiing, snowmobiling, hiking, cycling, gardening and crafting.

Mrs. Ultsch is looking forward to getting to know the students and families at Remsen Elementary and to being a part of this amazing community.

## Mrs. Winghart

*Library Media Specialist (Pre-K - Grade 12)*

Mrs. Winghart is excited to be joining the Remsen Central School District as the Pre-K - 12 Library Media Specialist. Mrs. Winghart has a bachelor's degree in elementary education and a masters degree in Elementary special education. She taught elementary special education at various grade levels, as well as, fourth grade, general education, in Walton, NY prior to moving to the Remsen area. She worked in public libraries as a high school student, she's served on the William B. Ogden Public Library Board, in Walton, NY and has volunteered at the Holland Patent library, teaching the preschool story hour.

Mrs. Winghart and her family moved to the Remsen area in 2018. She loves the small school community and the effort that our Remsen teachers put into helping all students succeed. She and her husband have 4 children that will all be in the Remsen School District starting in the 2025-2026 school year. Outside of school, she enjoys spending time with her family, working and playing outdoors, reading, and being active in the community.

Mrs. Winghart's goal as Remsen's Library Media Specialist is to help students develop a love of reading and to help students of all ages use books and technology to learn new information.

# TECHNOLOGY AND INNOVATION UPDATES

Dear Remsen Families,

It feels like just yeasterday we were participating in all of the exciting end of year celebrations and activities, yet here we are already gearing up for another great school year. The summer has been very busy for everyone, I am sure. At school we have had a number of summer enrichment programs going on including three LEGO camps for students in grades 3-8. Two of the camps were for students in grades 3-5 using the LEGO Essential building kits that include a small hub that can be programmed to run a motor, light sensor, or a light box that can be used to mobilize your LEGO build, trigger sounds, and so much more. The third camp was for students in grades 6-8 using the LEGO SPIKE Prime building kits. This kit has a much larger hub and our builds were focused more on design, debugging code, and discovering new ways to control our LEGO builds. All three camps were a lot of fun and have certainly got me looking forward to our after school Brick by Brick LEGO program this school year. Aside from LEGO, we will have our classroom and racing drones flying again this school year as well.

As far as classroom technology goes, I am working on getting student Chromebooks ready for this school year with updates, repairs, and cleaning. Students in grades 7-12 will have the opportunity to pick their Chromebooks up during our Back to School Night on Wednesday, September 3rd, from 5:30 until 6:30. We hope to see you there! If Chromebooks are not picked up during Back to School Night, they can be picked up during the first few days of school.

I am always here to help if needed. Please do not hesitate to reachout if you have a question or need anything.

**Mr. Gary Winghart**  
**Technology Curriculum Coordinator**

Grades 7-12

# Spring Concert

On Wednesday, June 4th, the Remsen Music Department presented the Grades 7-12 Spring Concert. Just before the concert, as folks were arriving for the event, the Remsen community Jazz Band, made up of current students, Remsen alumni and community members, performed a selection of Jazz music for the audience.

Throughout the evening, the Jr. High Band and Chorus as well as the Sr. High Band and Chorus ensembles performed a series of musical pieces that they have been working hard on. The Sr. High Band invited staff and community members to participate in playing Jurassic Park by John Williams and the Sr. High Chorus invited staff and community members to join them in singing Let the River Run by Carly Simon.

In addition to the wonderful music performed, the evening was also filled with recognition and thanks. Students that participated in NYSSMA and All-County Festivals were recognized, along with our graduating seniors.

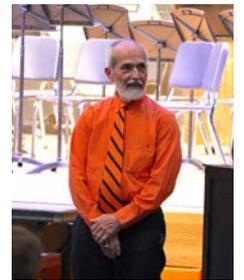

# The F. Peter Billard Music Stage

On Wednesday, June 4th, during the Grades 7-12 Spring Concert, a very special dedication ceremony was held to dedicate the recently refinished stage to long time Remsen Music teacher, Mr. Peter Billard.

Mr. Adrien Piaschyk and Mr. Steven Boucher, former students, Remsen alumni and members of the Remsen community, were asked to share a few words and stories about Mr. Billard and the impact that he has had on their lives, Remsen Central School, and the Remsen Community. Mr. Anthony Nicotera, well-known former Jr./Sr. High School Principal, was also asked to be a part of this special event, sharing of his experiences with Mr.

Billard. Mr. Dangler was also asked to share about the tremendous impact that Mr. Billard has had on the Remsen Music program over the years.

To complete the ceremony, Superintendent Jenny, presented the F. Peter Billard Music Stage plaque which will be posted on the stage in dedication of Mr. Billard and the lasting influence and impact that he has had on the staff, students and community members of Remsen Central School District.

## Remsen Participates in *High Note Festival*

On May 30th, the Remsen High School Band and Chorus performed at the High Note Festival in Glens Falls, NY.

During the performance, two adjudicators evaluated each group's performance and provided both written and audio commentary along with a numerical rating of our ensembles. An award trophy was presented at the conclusion of the performances along with the completed adjudication forms.

After our groups had performed, our students were able to enjoy an afternoon of fun at the Six Flags Great Escape Theme Park.

# Remsen Elementary Career Day

*Students learning about everything from goats, robots and crushed cars to drones, fighting fires and meteorology.*

On June 6th, students in Pre-K through 6th grade participated in Remsen Elementary's annual Career Day, organized by School Counselor Ms. Kistowski in collaboration with the School and Business Alliance (SABA) at Oneida-Herkimer-Madison BOCES.

This year, the event welcomed 15 local professionals who came to share insights into their careers, workplaces, and the education and skills needed to succeed in their fields.

Throughout the day, each classroom rotated through six engaging 20-minute sessions. Students learned about careers in environmental conservation with the DEC, explored how therapy dogs and drones are used in law enforcement, discovered how engineers travel the world for work, and even found out how cars are crushed in auto body shops. They also heard from a local entrepreneur who makes cheese, among many other exciting professions.

One highlight of the day was a visit from Spring Creek Lavender Farm, where students had the opportunity to hold and interact with baby goats. Local first responders from the Remsen Fire Department, STaR Ambulance, Oneida County Sheriffs Department, and the Utica Police Department also offered hands-on experiences and demonstrations.

## ELEMENTARY Math Day

$a^2 + b^2 = c^2$   
 $7 - 9 = -2$   
 $1 \times 8 = 88$

**JUNE 11, 2025**

It has become quite the tradition and something that every fourth and fifth grade student looks forward to each year, Elementary Math Day. Each year, Mrs. Runninger challenges her fifth graders to design and build a fun, carnival style game for the fourth grade students to play. The catch is, that the game not only has to be fun but it must also require the use of math in order to be played.

# Annual Athletic Awards Ceremony

Remsen Jr./Sr. High School held its annual JV/Varsity Athletic Awards ceremony on June 5th, 2025. The evening included the presentation of varsity letters, plaques and trophies, as well as the recognition of scholar athletes and teams.

An additional highlight of the evening was a beautiful photo slideshow of our teams and athletes created by Mrs. Jamie Dening. Throughout the evening, each of our coaches came forward to present awards and to share remarks describing several of the great accomplishments of our Remsen athletes from the 2024-2025 school year.

Congratulations to all of our Remsen student athletes on their accomplishments both on and off the field!

## SECTION III CHAMPIONS

Our boys' and girls' track and field teams competed at the Class D Championship at Deruyter on Friday, May 30th. Girls placed an excellent 3rd in the 14 team field. Placing in the top 6, were Riley Horn, Marissa Karis, Ella LaFave, Leah Doolen, Jaiden Maher, Brygit Pruitt, Tiarra Fox, Brooklyn Helmer and Morgan Horn. Great job girls!

For the 3rd consecutive year, the boys won the Class D Sectional Title. This is their 5th title in 6 years. Boys scoring were; Adam Woolheater, Burke Gates, Gavin Nelson, Preston Corn, Connor Nelson, and Casey Gates. Boys individual winners were; Gardner Walker in the pentathlon, Ethan Karis in the 800 and 1600, and Ean Piaschyk in the steeplechase and 3200. The 4 x 400 team of Adam Woolheater, Michael Nelson, Tucker Hollenbeck and Ethan Karis also placed 1st. Congratulations boys on your amazing achievements!

## Off to State Championships

Ean Piaschyk and Ethan Karis competed in the NYS Outdoor Track and Field Championship on Friday, June 13th and Saturday, June 14th. Ean competed in the 3200 on Friday and had a great performance in his first State Championship competition as an individual. Congratulations Ean!

Ethan Karis competed in the 1600 on Saturday and finished an outstanding 2nd place in the Class C Division. His time of 4:18.8 is the fastest time of any athlete in Section III this season regardless of school size. It was also only .4 seconds off of the Section III Class D all time record that was set in 1982. Congratulations Ethan on your amazing accomplishment!

## Annual Jr./Sr. High School Academic Awards Ceremony

On Thursday, May 29th, the Jr./Sr. High School held the Annual Academic Awards Ceremony to honor students who have shown academic excellence, perseverance and good character. A special congratulations to Matthew Helmer who was awarded our top award, the Soar to Success Award. A special thank you to the Remsen Alumni Association for sponsoring this special award.

## JR./SR. HIGH SCHOOL

# OLYMPIC DAY

On Thursday, May 29th, students in grades 7-12 came together for the high school Olympic Day sponsored by the Student Council.

To begin the event, the student council recognized Mr. Scott Jones and Ms. Mary Jane Keener for their 33 years of service to Remsen Central School District. This special recognition was followed by the recognition of our Spring sports teams. After each of the teams was introduced and accomplishments were shared, the olympic games were started.

Representatives from each grade level competed against the other grades in a series of fun, pep rally style, games including;

a Magic Carpet challenge, water balloon toss (minus the water balloons), and a massive Rock, Paper, Scissors game. After each game, Remsen Cup points were awarded to the winning teams. Our seniors ended up on top with an epic win in the Rock, Paper, Scissors game.

## Senior *Capstone Projects*

On Thursday, June 5th, our Seniors presented their Capstone Projects. The presentations were held in the high school library media center and were open to faculty, staff, administrators, family members, students and other guests that were able to attend. The Capstone Projects are completed in a student's senior year of high school. Students select their topic, or area of interest, early in the school year and then engage in research throughout the school year, journaling and reporting their findings as they go. The culminating project is a website, built by the student using Google Sites. The website describes the student's topic and provides details about their research and their experience with the Capstone Project.

## 7th Grade Orientation

On Thursday, June 12th, our 6th graders visited the Jr./Sr. High School for the 7th Grade Orientation.

Orientation started with lunch in the Jr./Sr. high cafeteria, where students were impressed with the options that they will have once they are in Jr. high. After lunch, students visited the library where Principal Pelrah and Mrs. Dineen provided an overview of how things work in the Jr./Sr. high. Students learned a bit about the schedule, the classes they will take next year, who they can go to for help, etc.

Students then were taken on tours of the school by some of our Jr./Sr. high school students. After the tours, students were treated to a Q&A session with two of our current 7th graders that have recently experienced the transition from the elementary to the Jr. high and had great insight to share with our 6th graders.

# Grades 4-6

On Wednesday, May 28th, our music department hosted the Grades 4-6 Spring Concert. The evening was filled with beautiful music performed by the Elementary Beginning Band, the Elementary Beginning Chorus, the Elementary Advanced Band, and the Elementary Advanced Chorus as well as a special combined choral piece performed by students in grades 4-6.

# Elementary Spring Concerts

On Wednesday, June 11th our music department presented the Pre-Kindergarten through Grade 3 Spring Concert. The music selected for the concert was chosen to showcase some of the musical skills that each grade level has been working on in their music classes. Each grade level performed two musical numbers, one being a choral piece with movement and the other, a song that incorporated either an instrument or more movement. During the concert, students used drums, rhythm sticks, xylophones and recorders.

# Pre-Kindergarten through Grade 3

On Wednesday June 18th, the Elementary School held their annual Olympic Day.

Planned and organized by PE teacher, Mr. Jones, Olympic Day is a day full of outdoor activities including Kick Ball, Soccer, Frisbee, Adventure Games, waterslides and much more. Students look forward to the fun each year. Classes travel from one activity to the next throughout the day, enjoying fun with friends and lots of outdoor activity. Lunch is always a yummy picnic style lunch including hotdogs fresh from the grill.

Olympic Day is an all day event, requiring help from many hands in order to make it possible. Thank you to the teachers and staff as well as our many Jr./Sr. high volunteers that worked to make this special day possible for our students.

## 1st Annual Mr. Jones Inflation Race

For the first time ever, to wrap-up an already fun packed Olympic Day, the 1st Annual Scott Jones Race was held at Remsen Elementary School.

In honor of Mr. Jones, long-time PE teacher, who retired at the end of the 2024-2025 school year, a very fun inflatable race was held. Staff members were invited to wear their favorite inflatable costume to participate in the event.

The race, officiated by Mr. Jones, required racers to run from one end of the soccer field behind the school to the other in their wacky inflatable costumes. Staff and students enjoyed the show as they honored Mr. Jones and thanked him, in a fun way, for all that he has done at Remsen Elementary.

# Kindergarten

# Celebration

On Wednesday, June 18th, the Class of 2037 took the stage for their Kindergarten Celebration. Our Kindergarten students came to the celebration with several songs prepared to perform for their families to demonstrate some of the concepts and skills that they have learned in Kindergarten.

Mrs. Hill, Mrs. Wilson and Principal Lamphere presented certificates to each of our Kindergarten students and congratulated them for their completion of Kindergarten. A beautiful slide show of pictures from throughout the school year was shown for students, family and friends to enjoy.

At the end of the celebration, Mrs. Wilson's class presented a very special quilt made by Mrs. Wilson's students (with the help of long-term substitute, Mrs. Sarah Helmer) for the Wilson Family.

It was a special event and a great celebration of our Kindergarten students and their success this year!

## Trout in the Classroom

Our students in grade three and some of our students in our agriculture classes participated in the Trout in the Classroom Program sponsored by Trout Unlimited. Through the program students learned a great deal about trout including how to care for them, their natural behaviors, their lifecycle, and what they like to eat.

During the trout release, on Monday June 2nd, students worked together to carefully release the trout into the stream near the falls, after checking the water temperature and conditions of the stream. Students then spent time searching for and identifying aquatic insects and other items that the trout might find delicious to eat.

Our third graders had a great time searching through the rocks of the stream to find Stoneflies, Mayflies and other interesting treasures.

Thank you very much to Mr. Gary Bartell, Mr. Bill Jackson, and Mr. Steve Prievo from Trout Unlimited for their support of the Trout in the Classroom program!

# Summer Enrichment Programs

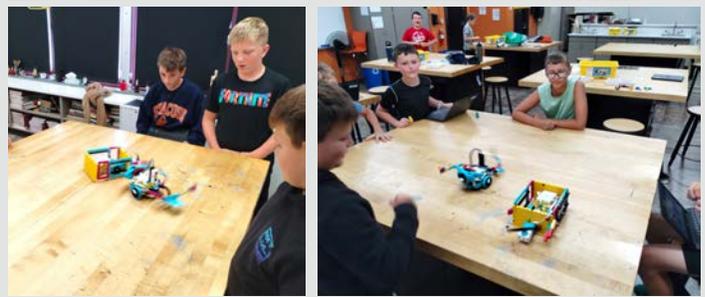

## Summer Volleyball Camp

Volleyball Camp was a hit with approximately 40 student athletes in attendance over the 4 days of camp. The girls honed their volleyball skills through drills and fun games. A very special thank you to all of the coaches for all of their hard work: Jared Williams, Elizabeth Bellinger, Sarah Helmer, Meghan Spadaro and Amy Piaschyk.

## LEGO Summer Camps

During the weeks of July 21st and July 28th two different LEGO summer camps took place at Remsen. The first week was our Brick by Brick Summer program for students in grades 3-5 and the second week was our LEGO Design and Robotics Camp. Students had a great time designing and building during both camps.

## RAMS

## Summer Academy

During the week of July 14th students in grades 1-6 were invited to attend the Rams Summer Academy. With each day focused on a different theme, students enjoyed a variety of learning activities, including review games, crafts, read alouds, etc. Students enjoyed participating in the activities not even focusing on the fact that they were reviewing, practicing and learning throughout the week.

# STEAM Camp

Mrs. Davis led our Summer STEAM camp once again this year. Students had a fantastic time creating and learning, incorporating math, science, art, engineering, and technology in to each days projects. A highlight of the week was the trip to the Utica Zoo to see the animals and dinosaurs.

# Camp READ-A-LOT

Students participated in a week of fun reading activities at Camp Read-a-Lot. Whether reading with a buddy, participating in crafts or games based on a story that they'd read together, or making smores and camping out at school, the crafty campers had a great time reading together.

## Kindergarten *Kickstart*

Some of our youngest Rams came together during Kindergarten Kickstart for a bit of Kindergarten readiness fun. Students participated in games, crafts, and fun learning activities while at camp. It was a great time for students to come into school to have fun with their peers, as they get ready to go into Kindergarten in just a few short weeks.

During the week of August 11th, several of our students going into grades 2-6 participated in the Crafty Campers program. Each day, students created a variety of fun crafts based on a new theme. For the "Under the Sea" theme, students created pool noodle fish, sun catcher jellyfish, and fun sharks. Throughout the week students also created bird houses, fire flies and much more.

# Crafty Campers

# EXTENDED SCHOOL DAY BEFORE & AFTER SCHOOL PROGRAMS

There Is No Cost For The Before And After School Programs.

## ELEMENTARY SCHOOL

Please register with the Main Office for these programs.

### **Young Rams Before School: 6:30-7:20 a.m.**

Students will check in for the day, have the opportunity to get assistance with homework that needs to be completed and have the option to enjoy breakfast at school. Students should be dropped off at the front of the school building (main entrance). There will be NO transportation provided for the before school program. All participants must be dropped off by a parent or guardian.

There will be NO program on days when school is delayed due to inclement weather.

### **Young Rams After School: 2:20-5:00 p.m.**

Students will check in, eat a snack, spend time doing homework and get help with their homework, enjoy recess/play time, and participate in STEAM activities as well as other learning activities. Students should be picked up at the front of the school building (main entrance). All changes to a student's regular weekly attendance MUST be made by the Friday before. All students MUST be picked up by 5:00 p.m. There will be a 4:00 p.m. bus available to provide transportation home for students that require bus transportation.

There will be NO program on days when students are released early (such as half-days or early release due to inclement weather or other emergencies).

## JR./SR. HIGH SCHOOL

Students should sign-up in the Main Office for these Programs

### **Fitness Center: 6:30-7:30 a.m. and 2:35-4:00 p.m.**

Get a workout in before school begins or at the end of the day. All fitness levels are welcome!

### **Rams Can Soar: 2:35-4:00 p.m.**

Need a quiet place to work, meet a study group, read, listen to music (headphones required), or access technology? Come join us at Rams Can Soar!

## LATE BUS: 4:00 P.M. FOR ALL PROGRAMS

# Rams on the Move

On Monday, June 2nd, our Rams on the Move group held their finale event.

Rams on the Move is a group for girls in grades 3-6. Through Rams on the Move, girls and Remsen female staff members get together after school to run or walk while focusing on building confidence, fostering teamwork and building relationships.

For the finale, about 25 girls in grades 3-6 completed a 2.3 mile walk/run through the town of Remsen. Throughout the run/walk, girls were encouraged and supplied with water and goodies by staff and community members. At the end of the finale, the girls received a medal and were treated to sundaes donated by Stewart's.

## Top Senior Sundaes WITH THE BOARD OF EDUCATION

On Tuesday, June 10th, our top seniors and their families were invited to join our board of education members for the Top Senior Sundaes Celebration.

Each of our top seniors, were asked to attend the event with their families and to invite a special teacher that has had a significant impact on them during their time at Remsen. Each student prepared and delivered a brief speech describing their time at Remsen and thanking their special guest teacher, as well as other staff members and the Remsen Board of Education for their support throughout school.

After the wonderful speeches were shared, students, families, friends and our board of education members enjoyed delicious sundaes together, generously donated by the folks at Stewart's.
