

READING HORIZONS® DISCOVERY

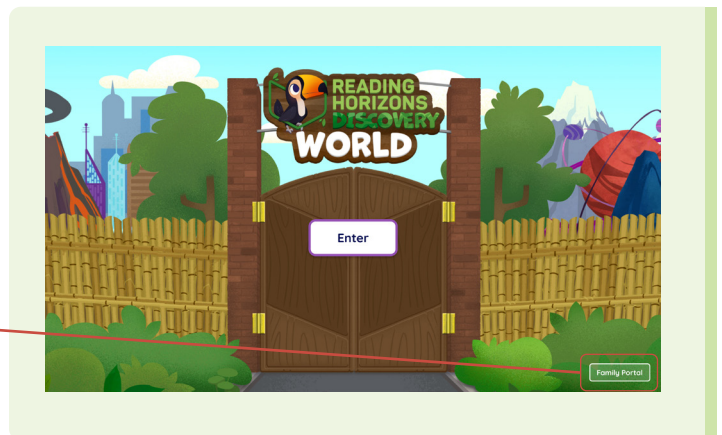

Reading Horizons® Discovery Family Portal

Simplifying At-Home Student Support

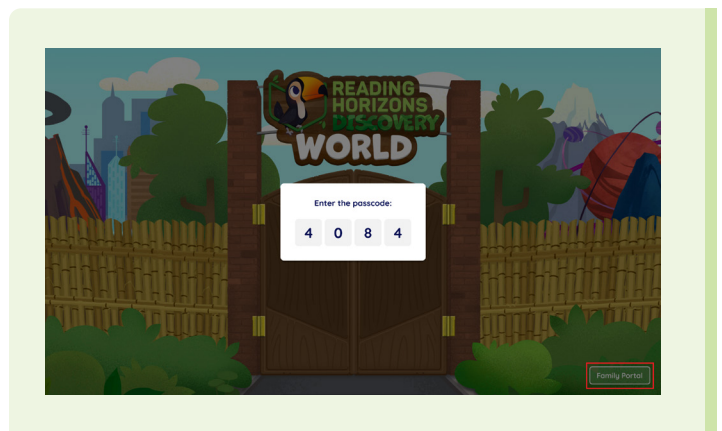

The Family Portal within *Reading Horizons® Discovery* provides families with seamless access to student progress and instructional materials, fostering collaboration between educators and families to support literacy success.

ACCESSING THE FAMILY PORTAL

1. **Log In**—Sign into the Reading Horizons® student portal using your student's unique login credential.
2. **Click on the Family Portal button** located in the lower, right-hand corner of the homepage.

3. **Enter Access Code 4084** to unlock the Family Portal, where you can view reports and access instructional resources.

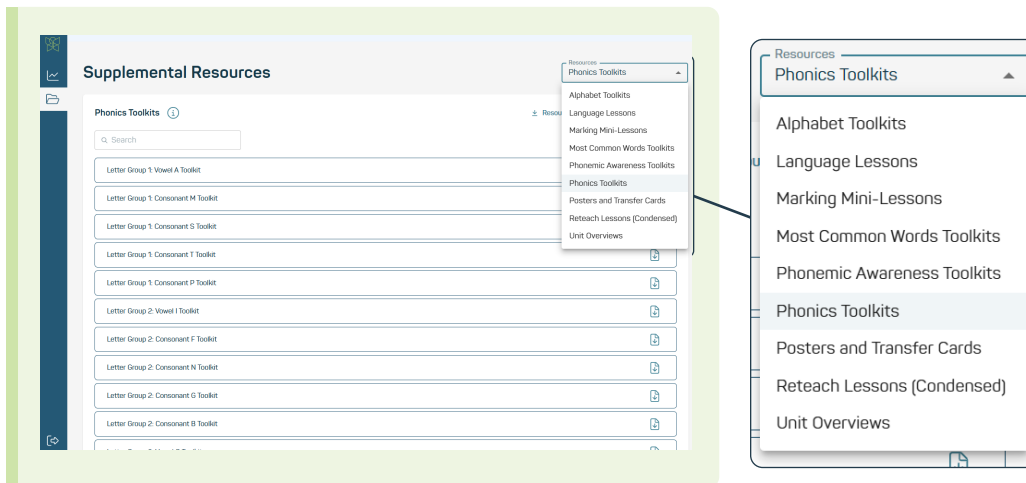

HERE'S WHAT YOU'LL FIND IN THE FAMILY PORTAL:

- **Student Progress Reports**—Stay informed about your child's learning.
- **Unit Overviews & Family Letters**—Understand what's being taught.
- **Instructional Materials**—Access resources to reinforce learning at home.

The **Student Skill Progress Report** provides a clear view of student performance, including skill checks, teacher observations, notes, and identified errors from classroom instruction. For more details on missed concepts or to review a student's skill check history, simply click on the score to view a full breakdown of performance over time.

Easily access supplemental resources that include Unit Overviews, Phonemic Awareness Toolkits, Posters, and Transfer Cards.

The *Reading Horizons® Discovery* Family Portal helps families and caregivers actively support their student's learning journey, providing easy access to essential resources for educational success.

Have additional questions? Feel free to contact us! If additional login security or district-specific requirements apply, connect with your student's teacher for guidance.
