

2025 Summer Band Camps

Parents,

Are you looking for something for your child to do this summer? (In other words: Do you want to get your kid out of the house for a little peace and quiet this summer?) Kids love band camp. It gives them something fun and productive to do! Campers perform in the full band setting and in smaller groups that provide more individualized instruction. Camps culminate with a Grand Concert at the end of the week where students get to “show off” what they have learned. Here are some great band camps for you to consider:
