PreACT | October 8 (Grade 10 Only)

Students should arrive at 7:45 a.m.
Test begins promptly at 8 a.m. and will be completed by 11:30 a.m.

Why Offer PreACT?

PreACT simulates the ACT testing experience within a shorter test window on all four ACT test subjects: English, math, reading, and science. Results predict future success on the ACT test, and provide both current achievement and projected future ACT test scores on the familiar 1-36 ACT score scale.

Key Benefits

- Early practice for the ACT test with flexible test administration dates
- PreACT score and predicted ACT score ranges align with the ACT 1–36 scale
- ACT Interest Inventory results provide students with a personalized view of interests with college and career alignment
- Valuable results provide actionable insights to help educators, parents, and students make important decisions for the future
- Rapid reporting turnaround within 5-10 days of receipt of answer documents allows for early and effective planning to ensure students can attain the future and career success they envision

What to Bring (This has changed)

NEW-This exam is now digital. This will help prepare students for the ACT as it goes towards a digital ACT exam in the future. Please bring your Chromebook fully charged.

- Two No. 2 pencils with erasers (to write on scratch paper)
- An approved calculator
- Water bottle and a snack for during break

What Not to Bring

- Any devices, including smartwatches, that can be used to record, transmit, receive, or play back audio, photographic, text, or video content
- Protractors, compasses, rulers
- Highlighters, colored pens, colored pencils
- Pamphlets or papers of any kind
- Dictionaries or other books

Turn Off All Electronic Devices

You'll need to turn off all electronic devices (besides your computer) during the test and even during breaks. This includes cell phones. Be sure to turn off your watch alarm, if you have one. Why? Test centers are serious about security and quiet, so prohibited devices—which include cell phones, tablets...etc—must be turned off and put under your desk.
