

Manhasset Public Schools District Mission and Vision

Mission: We recognize each child as an individual with the potential to achieve their personal best. We are committed to guiding our students on their unique educational journeys by nurturing their abilities and encouraging a growth mindset, while challenging and supporting their academic development and fostering their social-emotional and physical well-being. We celebrate diversity, an inclusive learning environment and respect for others as important components in developing global citizens.

Vision: We prepare each student for a continuously changing world by cultivating a passion for discovery, creativity in solving problems, wisdom in making decisions, a willingness to take measured risks and perseverance in the face of adversity. We foster independent thinkers who work collaboratively, respect each other's individuality, and embody integrity, honesty, empathy and compassion. Our students will be able to succeed today, with the self-confidence, motivation and resiliency to succeed tomorrow.

The learner profile is our District's mission statement interpreted into a set of learning aptitudes for our students. The learner profile expresses a vision of education that we aspire to provide our students and serves to provide a focus for our work.
