**College Memberships:** Students must provide a list of their classes showing credits or academic study to qualify for the student rate.

**WAIVER:** I understand that participation in the use of the Greenheck Turner Community Center and activities held in the Greenheck Turner Community Center is at my and/or my family's own risk. I agree to hold harmless the D.C. Everest Area School District and its employees or volunteers of any physical injury I/we may incur as a result of participation. Fitness Center Membership includes use of the Fitness Center, free weights, cardio equipment and walking lanes. Available times will be posted online and in the center. The center is closed on various holidays throughout the year, and the walking lanes are closed for a handful of large tournaments. Communications will happen through email, Facebook, in center postings, signage and all written and verbal directions must be followed to maintain your membership. You must have your photo membership badge with you and scan at the front desk every time.
