

2025 Anthem Wellbeing Solutions

Focus on your well-being and earn rewards up to 100 points

The more activities you complete, the more points you earn

Worthington City Schools’ voluntary wellness program offers tools and resources to help you make positive improvements to your health and well-being. Our program was designed with you in mind, because taking care of yourself can help you take care of your family.

If you are entitled to a board health savings account (HSA) contribution, you can earn an HSA contribution when you complete 100 points’ worth of rewardable activities between January 1, 2025, and December 31, 2025. If you are enrolled in the family medical plan and cover a spouse, your spouse can also help you earn points. Each of you will need to log in at **anthem.com** or on the **SydneySM Health** app to see your points. To get your total points as a couple, simply add your total individual points together.

Earn points

Here's how and when you'll earn points for completing the activities already mentioned.

 **Preventive care:** Simply visit your doctor for any of the screenings or appointments listed in the chart. Your rewards are added to your account after your claim is processed, which may take up to 60 days. The Worthington City Schools' medical plan covers your preventive wellness exam, recommended cancer screenings, and a flu shot vaccination at no additional cost during the plan year. Eligibility for annual cholesterol tests (such as a full cholesterol lipid panel) is 35 years and older for men and 40 years and older for women. When you schedule your exam, make it clear you are scheduling an annual wellness exam with your care provider. If the claim is not billed as an annual wellness exam, you will not receive your points.

 **Condition management:** Points are added to your account as you meet certain benchmarks or complete a program. Programs include ConditionCare (for asthma, diabetes, and heart or lung conditions), Building Healthy Families, and Well-being Coach for weight management and tobacco cessation.⁷

 **Digital and wellness activities:** Log in to the [Sydney Health](#) app or [anthem.com](#) to complete available activities, such as taking a Health Assessment, participating in the Well-being Coach digital program, and tracking your steps. Rewards are added to your account as activities are completed.

We encourage you to actively participate in your rewards program. Rewards earned should be redeemed before the end of the current plan year. Unused rewards are forfeited six months after the end of your plan year. Make sure to redeem them before then.

All preventive care activities are claims based, which means your completion is determined when a claim is processed. Medical waivers apply to claim-based activities.

Rewards eligibility applies only to subscribers and their enrolled spouse/domestic partner with Anthem medical benefits. Members must be active on the plan and their activity must take place during the plan year. A subscriber and spouse/domestic partner may earn rewards when eligible activities are completed and, in some instances, are verified by an Anthem claim.

The reward amount you receive may be considered income to you and subject to state and federal taxes in the tax year it is paid. You should consult a tax expert with any questions regarding tax obligations.

Electronic gift card availability may vary. The list of retailers available for electronic gift card rewards redemption is subject to change. Log on to anthem.com or open the Sydney Health app to explore the electronic gift card options available to you.

Sydney Health is offered through an arrangement with Carelon Digital Platforms, a separate company offering mobile application services on behalf of your health plan.
